Honorable Tony Zielinski  
Alderman, 14th Aldermanic District  
Room 205, City Hall

SUBJECT: 14th ALD. DIST. - FILE #140681  
INSTALL ALL-WAY STOP ON EAST HOMER STREET  
AND SOUTH LENOX STREET

\  
Dear Alderman Zielinski:

This is in response to your request on behalf of local residents to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the intersection has not met the warrants to install the requested all-way stop control at the intersection of East Homer Street and South Lenox Street. However, in compliance with your request, legislation will be prepared for consideration at the next Public Safety Committee meeting.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

SUBJECT: 11th ALD. DIST. - FILE #140681  
INSTALL YIELD SIGN ON EAST IDAHO STREET  
AT SOUTH 61ST STREET

Dear Alderman Dudzik:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northwest and southwest corners of the intersection in the form of bushes that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

INSTALL STOP SIGN ON NORTH 105TH STREET  
AT WEST JONEN STREET

Dear Alderman Davis:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the southwest corner of the intersection in the form of a fence that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

INSTALL STOP SIGNS ON WEST LYNX AVENUE  
AT NORTH 87TH STREET

Dear Alderman Davis:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the southeast and southwest corners of the intersection in the form of parked cars in a parking lot, and a fence that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

INSTALL YIELD SIGNS ON NORTH 85TH STREET  
AT WEST RUBY AVENUE

Dear Alderman Bohl:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and northwest corners of the intersection in the form of hills and trees that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

INSTALL STOP SIGNS ON WEST MARION STREET  
AT NORTH 89TH STREET

Dear Alderman Bohl:

This is in response to a request we received from a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents and also sight obstructions exist on the southeast corner of the intersection in the form of a pine tree that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

WEST NORWICH STREET AT SOUTH 51ST STREET  
WESTBOUND

Dear Alderman Dudzik:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that since this street is strictly residential and trucks are using it as a short cut, we recommend that heavy trucks be prohibited.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting so that you may support it to final passage.
