Good morning, Elisa.

You are most welcome. For the Hispanic Advocate on the Commission, the subcommittee discussed Stephanie Padilla-Fierro, who is the Lead Advocate at UMOs Latina Resource Center. I have put the ask out to Stephanie and she is very honored. She would like to discuss it with her manager first, who returns to the office on Monday. I will have an update for President Perez's office early next week on whether she has accepted this opportunity.

Warm Regards,

Liza

Hello, Clifton.

Thank you. That would be very helpful for us. Our subcommittee of the MCDVSA met yesterday afternoon and we did discuss a strong Latina individual who works with survivors should President Perez have difficulty in finding someone to serve. We will wait to hear back on President Perez's nominee.

Warmly,
Liza

Good afternoon, Clifton.

I know that we spoke last week Wednesday and you were going to be meeting with Common Council President Perez last Thursday to review the recommended appointees. Can you please provide an update on that meeting and President Perez's thoughts on the recommendations?

Hello, Mr. Crump.

I wanted to circle back with you on this to see if the President has had the opportunity to review the documents for the recommended appointees to the Commission on Domestic Violence and Sexual Assault. Good afternoon, Clifton Crump.

Please find attached the graph and supporting documents outlining the recommended appointments for the President's consideration to the Commission on Domestic Violence and Sexual Assault. As noted, the Hispanic/Latinx commissioner position has been intentionally left open for your discretion. Please note, Alderwoman Larresa Taylor has already been sworn in.

Kindly confirm at your earliest convenience whether the President approves these recommendations so that we can proceed with scheduling the swearing-in process. I'm available for any questions or additional information you may need.
