To the Honorable, the Common Council

Dear Council Members:

The City of Milwaukee is currently the owner of an existing 15-inch diameter public main storm sewer located in North 76<sup>th</sup> Street between West Florist Avenue and West Douglas Avenue. The storm sewer is not required by the City for service and only provides for the drainage of the State-owned roadway. A Quit Claim Deed document has been prepared that will convey this storm sewer to the Wisconsin Department of Transportation (WISDOT).

We have prepared the attached resolution authorizing and directing the proper City officers to execute the conveyance document Quit Claim Deed (QCD-2781).

We recommend adoption of the attached resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes, P.E.  
Commissioner of Public Works
