Subject: RE: ERC and ERC Complaints email inboxes - responses?

Good morning, Mary,

Upon reviewing the emails, I noticed that individuals who submit a complaint form do not receive a reply, as those messages are directed to the ERC email inbox. However, I checked the Commissioner Applications, and all applicants have received responses through the email addresses provided in their forms.

All submitted resumes have been forwarded to the ERC Interview Committee. Those selected for interviews have gone through the process, and two candidates — [redacted] — have been recommended to fill the remaining Commissioner positions.

The same routing issue seems to occur with complaint submissions. We can discuss this further during our meeting today.

Thank you for your patience and attention to this matter.

Best regards,

Subject: ERC and ERC Complaints email inboxes - responses?
Importance: High

Good afternoon, Omar,
I am reviewing the ERC inboxes and see that many of the emails have no response/reply.

You must respond via the respective ERC inbox so that there is a record and so that I can see the responses in the sent folder.

Please provide an explanation as to why there are no replies to the emails and how you will immediately correct this deficiency.

Subject: RE: Clarification Regarding ERC Contact Number on IHRD Event Flyer

Thank you for the clarification. I will take note of it. Here is the flyer attached.

Subject: RE: Clarification Regarding ERC Contact Number on IHRD Event Flyer

Hi all,

Point of clarity for everyone. x5553 is OEI's mainline and from my understanding, those calls come to me only. It should have been set to where the calls spread to everyone but that has not happened for several months. The OEI line is primarily for general inquires.

[redacted] concerns are valid as the ERC number should be the number that's reflected on the flyer as it's an ERC event. Additionally, there should be a Spanish version of all ERC event flyers (that you'd translate Omar) and ADA information should be reflected on the flyer (as that is a uniform procedure that is on most flyers that are public facing).

I don't know what your flyer looks like and unsure if it was already approved by Mary but I just wanted to clarify that. To be clear, I'm not asking you to change anything as that's not my role – I am letting you know where the holes are from my experience.

If I should receive any calls, I will transfer them, no problem, but in the future, that will 100% disrupt your process because they're calling two places to get connected to ERC when you all have a direct line. I have three lines connected to my extension and I'm not always at my desk so clearing that up in the future will help streamline your ERC process and have less hands in your pot. 😊

Thanks!

Hello,

Including [redacted] so she's aware she (or whoever covers that OEI phone & voicemails) may receive ERC – IHRD event call when you're remote or not at your desk. Just keeping her in the loop.

Thanks!

Hello Team,

Thanks so much for checking, [redacted] That's the main OEI number, and calls to it come directly to me for any event questions. The flyer looks great—I don't think we need to make any changes.

Warm regards,

Also, just wondering if a Spanish version of the flyer might be useful. If interpreters are being arranged to provide ASL or other language support, it might be a good idea to note that somewhere on the flyer so the public won't need to go through the process of requesting that specific accommodation.

Also, the ADA/reasonable accommodations disclaimer asks for a 72-hour advance notice to meet those needs for events.

Just thought I'd share in case it's helpful.

Thanks,

Subject: Clarification Regarding ERC Contact Number on IHRD Event Flyer

Hello Omar,

Just wanted to flag a small detail. The IHRD flyer lists **414-286-5553** as the contact number for the Equal Rights Commission , but when I called that number, it rang at your desk and the voicemail identified it as the Office of Equity and Inclusion.

Just to clarify, the correct number for the ERC is **414-286-5900**.

Sharing in case there's any confusion or misrouting of calls for the ERC. I'm not sure who monitors the voicemail or takes calls at 5553, but they might end up getting ERC related calls that will have to be rerouted. In turn, creating extra work on their end unnecessarily.

Thank you,

Good morning Mary,

I have attached the data you asked for. It should be self-explanatory once you open the file and review the columns. The data goes back to October 2025. You can copy and paste URLs from the file into a browser if you want to review specific information related to any of the web addresses visited. They were using two different browsers, Chrome and Edge, which is why there are two files. Edge is the browser used most often. Also, this isn't strong evidence for a discipline, but it can be helpful for research into a pattern and for further steps. Sometimes, just visiting a website can open advertisements and other websites.

Let me know if you have any questions.

- Alba and Ramirez have been dating since July — and went Instagram official on Ramirez's page earlier this month

Jessica Alba gave a nod toward her relationship with Danny Ramirez as she celebrated Thanksgiving.

On Nov. 27, Alba, 44, shared a carousel of photos to her Instagram page to mark the holiday — and included a sweet snapshot of her and Ramirez, 33, holding hands as they strolled on a beach together within her post.

The actress and Honest Company co-founder also shared photos of her three children: daughters Honor, 17, Haven, 14, and son Hayes, 7, whom she shares with ex-husband Cash Warren. (Alba officially filed for divorce from Warren, 46, on Feb. 7, citing irreconcilable differences.)

"Grateful, grateful, grateful. 🤍," Alba wrote in a caption to her post. "Most thankful for these little souls who make my world brighter every day - my babies, my everything ❤️ "

She added: "Sending everyone big hugs, cozy moments, yummy eats, and a whole lot of love this Thanksgiving 🤲✨ "

A source first told PEOPLE that Alba and Ramirez were dating and "having a good time together" after they were photographed boarding a flight from Cancún, Mexico, to Los Angeles in July. The couple confirmed their romance publicly one week later, when they were photographed kissing in L.A., and the pair have been going strong since.

ADVERTISEMENT

Alba and Ramirez, who is known for his roles in *Top Gun: Maverick* and the most recent *Captain America* movie, went Instagram official this month when Ramirez posted several photos from the Nov. 8 Baby2Baby Gala to his social media (Alba is a board member for the charity). Ramirez reshared Alba's Instagram post to his own Instagram Stories on Nov. 27 and also posted his own photo of what appeared to be the couple holding hands to his Instagram Stories.

Alba's Instagram post for Thanksgiving also included photos of her with various friends, as well as her parents Mark and Catherine Alba and several motivational quotes, including one that read, "I'm grateful for deep breaths that center my soul and make everything clear ... and I'm grateful for the love that reminds me life is pure magic."

Alba most recently appeared on the big screen in the 2024 movie *Trigger Warning*. She has multiple project in the works. Ramirez, meanwhile, will appear in next year's *Avengers: Doomsday* to reprise his *Captain America* role as Joaquin Torres, the Falcon to Anthony Mackie's Captain America.

Hello Omar,
Our weekly 3-in-30 touch-base meetings are intended to review your work objectives, KPIs, and any topics important to you. We'll prioritize at least three key items to ensure we cover what's most pressing, with the option to address more if needed. Each meeting is scheduled for 30 minutes to stay focused and respect everyone's time, but please let me know if additional time would be helpful.

Mary
