Honorable Willie C. Wade
Alderman, 7th Aldermanic District
Room 205, City Hall

SUBJECT: 7th ALD. DIST. - FILE #131440
INSTALL STOP SIGNS ON WEST HOYT PLACE
AT WEST LEON TERRACE

REMOVE YIELD SIGNS ON WEST HOYT PLACE
AT WEST LEON TERRACE

Dear Alderman Wade:

This is in response to a request we received from a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northwest and southwest corners of the intersection in the form of bushes that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Robert W. Puente
Alderman, 9th Aldermanic District
Room 205, City Hall

SUBJECT: 9th ALD. DIST. - FILE #131440
INSTALL STOP SIGN ON NORTH 86TH STREET
AT WEST GREENBROOK DRIVE

Dear Alderman Puente:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northwest corner of the T-intersection in the form of trees that would reduce the safe approach speed and thereby warrant the above-captioned control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Joseph A. Dudzik
Alderman, 11th Aldermanic District
Room 205, City Hall

SUBJECT: 11th ALD. DIST. - FILE #131440
INSTALL STOP SIGN ON SOUTH 52ND STREET
AT WEST STACK DRIVE

Dear Alderman Dudzik:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast and northwest corners of the T-intersection in the form of bushes that would reduce the safe approach speed and thereby warrant the above-captioned control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable James A. Bohl, Jr.
Alderman, 5th Aldermanic District
Room 205, City Hall

SUBJECT: 5th ALD. DIST. - FILE #131440
INSTALL NO U-TURN ON WEST GOOD HOPE ROAD
AT NORTH 110TH STREET FOR EAST BOUND TRAFFIC

Dear Alderman Bohl:

This is in response to a request we received from a local resident to install the above-captioned turn restriction.

Our traffic engineering staff has investigated this request and found that due to the geometric configuration of the median opening, a safety concern exists for motorists turning east onto West Good Hope Road from North 110th Street, which thereby warrants the installation of the above-captioned turn restriction. We therefore, in the interest of public safety, recommend the installation of the above-captioned turn restriction. Lastly, it should be known that left turns are already prohibited at this location for east bound traffic on West Good Hope Road.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
