C.J. File NO  
1029-2019-1511

I wish to appeal the decision called city clerk's office, to try to get a crew out to look at the pot hole, it was 5 to 6 inches deep about 10 inches long.

on April 19 A bright sunny day it was dry did not see the pot hole that I hit causing a flat tire and a bent rim. It was the tire on the right front. From the picture you can tell it was hard to see, this happened at 8323 W Burleigh, the time was between 2:10 and 2:15 PM.

ON June 19, My wife was on her way to work, about 2:00 PM she calls me, said she had hit a pothole at ~~8323~~ 8323 West Burleigh, giving her a flat tire & bending the rim.

I called STATE FARM Roadside Assistance, They changed the tire. Had to get another Rim, the cost was \$100, for the rim, balance, and mounting. In the picture you can tell that the Pothole was hard to see.
