A. **Required City Procurement Policy Procedures.** In addition to federal procurement requirements, proper City procurement procedures must be followed in order to secure any goods and services to be purchased (or reimbursed) with City funds, including the selection of contractors, suppliers and related vendors. As such, City of Milwaukee funded agencies, including all housing production agencies must adhere to the following procurement procedures:

1. **Contracts and Purchase of Less than \$5,000** - An agency must document that it has contacted at least three bonafide sources and has selected the source that provides the most appropriate product, at a price most reasonable for the project.
2. **Contracts and Purchases Between \$5,000 to \$25,000** - Agencies must request proposals from at least three bonafide sources. Requests for proposals must be in writing and provide all contractors, vendors, and suppliers the same information and opportunity to "walk-through" a project, if appropriate. Additionally, copies of all bids received and a bid tabulation sheet that justifies contractor selection must be maintained for each project. In order for a bid to be acceptable, it must be from bonafide contractors, licensed in the City of Milwaukee, be signed and dated, and include a complete list of activities to be performed, and or materials and services to be provided.
3. **Contracts and Purchases Greater than \$25,000** - All Requests for Proposals greater than \$25,000 must be advertised in either the Milwaukee Journal Sentinel or the Daily Reporter. Additionally, copies of all bids received and a bid tabulation sheet that justifies contractor selection must be maintained for each project. In order for a bid to be acceptable, it must be from bonafide contractors, licensed in the City of Milwaukee, be signed and dated, and include a complete list of activities to be performed, and or materials and services to be provided. Failure to follow these procurement procedures will result in a Finding during a CDGA monitoring visit and will require the agency to "payback" all Federal funds disbursed using non-Federal funds.

B. **Contractor Award Criteria.** City of Milwaukee funded housing production agencies must adhere to additional criteria when selecting contractors to perform production activities:

1. Contracts may not be awarded to debarred, suspended, or otherwise ineligible contractors. Agency must comply with all Federal, State, and Local laws, rules and regulations. The City of Milwaukee will not pay for work performed by any firm that is de-barred or not otherwise eligible to be awarded work. The Agency is responsible

for reviewing the HUD debarred and suspended list, and for rejecting bids from ineligible contractors. The list is updated regularly and can be accessed via the internet at: <http://epls.arnet.gov/> Only the eligibility of the prime contractor must be verified and documented. Subcontractor clearance is the responsibility of the prime contractor.

However, if you have reason to believe that a subcontractor is ineligible, you must also inquire further to learn the subcontractor's actual status. If you find that the subcontractor is in fact ineligible, notify the prime contractor immediately that the ineligible subcontractor must be terminated.

2. The contractor/vendor will provide products and service that meet the appropriate specifications, including start and completion time requirements.
3. The firm is a bona fide business with experience in the work they are proposing to do.
4. The company has a good record of doing business and/or a good reputation with customers, peers, and suppliers.
5. The business has all required licenses, certifications, and qualifications.
6. The price is competitive, reasonable and market-based (as explained in paragraph 8 below).*
7. Utilize to the greatest extent possible, a Minority, Women-Owned, or Disadvantaged Business Enterprise.
8. Purchase from local (i.e. City of Milwaukee-based) vendors/contractors. ***Unless there are extenuating circumstances, a lower quote may not be "reasonable and market-based" if it deviates from staff's cost estimate and/or the average of the other bidders' prices by 15% or more.***

C. Bonding and Insurance (RE: OFFICE OF MANAGEMENT AND BUDGET CIRCULAR A-102, as amended)

1. Federal Register Reference #570.508.
