I wish to object the licensing for Guelaguetza Restaurante Y Barra at 2537 W National Avenue. The reason I wish to object this licensing is the safety factor of the neighborhood the former business there La Cueva caused many issues in the neighborhood and many shootings in my heavily populated neighborhood my vehicle was shot and damaged in a shooting following an argument in the previous establishment. This is a heavily populated neighborhood and having a club operating so late at night is a safety risk to everyone around the club. The noise level of the music from the previous establishment was also unbearable as well as the arguing and fights that would ensue. It is also a safety hazard to have a club in this neighborhood due to the possibility of drinking and driving as we have 1000s of people walking around daily in this neighborhood. A club operating in this neighborhood drastically decreases safety in an already challenged neighborhood.

This report is written by Police Officer Penny Monreal, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 11/25/17, the applicant was charged with OWI in Sheboygan County. On 02/14/18, he was convicted and his license was revoked for 6 months.

=====

2. On 03/01/24 at 2:28a.m., Milwaukee Police were dispatched to a Shots Fired, later determined to be a Shooting at 2537 W. National Ave. On arrival officers located 7 spent casings and a blood trail in the rear of the business. The officers interviewed two victims at the hospital, one was a security guard and the other was a 20-year-old, who had been drinking inside the bar. The security guard stated an altercation began inside resulting in the subjects being removed. The fight became physical outside. Security attempted to break it up and was subsequently shot as well as the other victim. Officers attempted to interview the agent and employees, however, a female opened the door and stated they would get their boss, locked the door and no one ever returned despite multiple officers attempt to get them to unlock the door.

On 03/18/24, Milwaukee Police, an ADA and the Alderperson, met with the business regarding the incident. An employee stated the incident began inside the bar with a subject attempting to strike the bartender. The subject was removed and returned later with the underage victim/armed suspect, who was treated at the hospital. Video surveillance depicts a group of people arguing outside the tavern and a subject with a "security" sweatshirt, attempting to disarm the armed suspect, at which time the

gun goes off and a subject sustained a gunshot wound to their leg. The "security" then obtains control of the firearm and fires multiple rounds striking the premise, the sidewalk and the suspect. The officers requested interior video surveillance, however, the employee stated it was set up incorrectly and therefore did not begin recording until 03/02/24. The business had no explanation as to why no one called police during the incident. The business denied the underage suspect drinking inside the bar. The business stated the subject wearing the "security" sweatshirt is not an employee of theirs and is security at another business. It was determined there was no licensed bartender on scene during the incident. The business was advised they could not serve any alcohol until an employee obtained their license. It was further discussed one of the employees should obtain a B Manager License. The agent stated they reside in Sheboygan, however, use an employee address due to personal matters. Officers were further advised they business hired an additional 5-armed security guards and fixed the video surveillance. No employees were fired or reprimanded due to the incident.

3. On 05/13/24 at 1:34a.m., Milwaukee Police were dispatched to a Shots Fired at 2600 W. National Ave. On arrival officers observed a large group gathered in the alley of 2537 W. National Ave. The crowd began to disperse. No one remained to speak to officers and the caller did not answer the phone on callback. Officers attempted to speak to security at the bar, however, found the bar to be closed. The officers contacted the manager who stated a large crowd gathered due to security removing people from the bar and had no knowledge of any shots fired. The manager denied having access to allow officers to view video surveillance, however, stated officers could obtain it in the future.

4. On 06/08/24, an Officer obtained video from a local Alderman that were captured on Facebook of a large fight that occurred in front of 2537 W. National Ave., at approximately 12:54a.m. The video depicts the fight lasts for approximately 2 minutes between several patrons, causing a crowd of at least 50 patrons gathering, causing traffic issues and a disturbance. It appeared a patron was pepper sprayed by an unknown subject. Plain clothes security is observed attempting to break up the fight and the lone uniformed security officer only appears after the crowd has dispersed. The business did provide video of the incident; however, it was in a format that was not viewable and could not be attached to the officer's report. It should be noted no one from the business called the police.

5. On 06/15/24 at 1:30a.m., Milwaukee Police were dispatched to a Fight at 2537 W. National Ave. On arrival officers were advised there was no fight and they were attempting to get patrons to leave the area. Officers were advised the bar manager observed a subject outside, they believe to have a current restraining order on, waving at the manager. It was determined the subject lives next door to the bar. The business is a designated nuisance premise and is in billing status or has submitted an abatement plan.

6. On 07/27/24, Milwaukee Police conducted an Underage Tavern Enforcement Initiative utilizing a plain clothes officer and an underage Police Aide. At approximately 9:45p.m., they attempted to enter 2537 W. National Ave., however, were denied entry due to the Police Aide not providing an ID.

7. On 08/02/24 at 8:22p.m., Milwaukee Police conducted a License Premise Check at 2537 W. National Ave. No violations were found.

8. On 09/11/24 at 12:44a.m., Milwaukee Police were dispatched to a Shooting at S. 17th St., and W. National Ave. The victim was shot to the leg and transported to a hospital. The victim stated they were at 2537 W. National Ave., and were ejected by security, along with another subject. As they were walking the other subject yelled something at a passing car, who slowed down and fired shots, striking the victim in the leg. The business was cooperative allowing officers to access the ID Scanner to determine who the victim was with.

9. On 10/16/24 at 3:30p.m., Milwaukee Police conducted a License Premise Check at 2537 W. National Ave. Assisting in this assignment was an Agent from Wisconsin Department of Revenue Alcohol and Tobacco. 4 Liquor bottles with contaminants were discarded. The only other violation was Hookah boxes on display that contained tobacco. The manager was advised they do not have a tobacco license and therefore, cannot sell tobacco products. The Agent seized 27 boxes of tobacco containers.

10. On 11/15/24 at 7:38p.m., Milwaukee Police conducted a License Premise Check at 2537 W. National Ave. This was in regards to information received the business was promoting flyers on social media. The manager was advised they were not in compliance by promoting on social media and agreed to take the posts down.

11. On 12/06/24 at 11:00p.m., Milwaukee Police conducted a License Premise Check at 2537 W. National Ave. Hookah smokers were observed on the tables. Additional squads responded at 11:38p.m., to conduct further follow-up regarding the hookahs. Officers observed patrons smoking Hookah, however, after checking samples provided by the business it was determined it did not contain tobacco. The officers observed that security used a counter for the patrons and although the number reflected on the counter seemed low the officers did not believe the business was over capacity.

12. On 12/12/24 at 2:59a.m., Milwaukee Police were dispatched to a Shooting, later determined to be a Battery Cutting that occurred at 2537 W. National Ave. Investigation revealed security was forcibly removing subjects from the bar. A fight ensued, when the two attempted to re-enter. Three security guards and the two subjects were observed on video surveillance physically fighting in front of the bar. The business was closed when officers attempted to follow up, however, a neighboring business provided the officers with video surveillance. No one from the business ever called police regarding the incident.

13. On 12/31/24 at 11:04p.m., Milwaukee Police conducted a License Premise Check at 2537 W. National Ave. Due to the number of patrons and capacity being at 99, the officers utilized a clicker to determine the number of patrons. A security guard advised officers there were approximately 120 patrons, however, the officers determined there were approximately 177-186 inside of the premise. The business was closed due to the violation and a citation is pending.

14. On 01/12/25 at 12:56a.m., Milwaukee Police were dispatched to a Battery at 2537 W. National Ave. Investigation revealed two subjects were observed sneaking in alcohol; after a warning they were again observed sneaking liquor and became belligerent. Security escorted them out, where they kicked over a garbage can causing trash to dump in front of the business. The manager stated they did not call the police because they felt they had it under control.
