SWORN CHARGES BY CHIEF OF POLICE FOR REVOCATION OF LICENSE

Pursuant to Section 90-12 Milwaukee Code of Ordinances, Chief of Police Edward A. Flynn, by Captain Donald J. Gaglione, Commander of Police District Six, being first duly sworn and upon his oath, respectfully charges the following based upon review of official Milwaukee Police Department investigative reports and communication with police and city officials.

1. That Vickey L. MENDEZ ("Licensee") is the holder of Class "B" Tavern, Tavern Dance, Amusement Machine Premise, Billiard Hall, Cigarette and Tobacco, Pool Table, and Phonograph/Jukebox Premise licenses for the premises known as The Last Chance tavern, located at 3235 West Scott Street, Milwaukee, Wisconsin. Upon information and belief, this premise has a posted occupancy of 80 persons.
2. That The Last Chance tavern is the scene of chronic nuisance activity such as shootings, delivery of controlled substances, possession of controlled substances, and fights among patrons at the tavern. The Last Chance tavern has also had a substantially adverse effect upon the surrounding neighborhood due to the loud music coming from the tavern. This activity has led, in part, to the Common Council renewing the Class "B" Tavern, Tavern Dance, Amusement Machine Premise, Billiard Hall, Cigarette and Tobacco, Pool Table, and Phonograph/Jukebox

premise licenses of The Last Chance with a warning letter on February 5, 2008, that required the licensee, Vicky Mendez, to ensure that incidents addressed did not reoccur.

3. That according to a Milwaukee Police Department Licensed Premises report dated April 18, 2008, Milwaukee police officers were dispatched to complaints of Loud Music at The Last Chance tavern at 3235 West Scott Street. Officers could hear music approximately one block away from the tavern, and they spoke to the licensee, Vicky Mendez. Mendez stated the music was not loud despite being told the music level was unacceptable by the police officers, and she was advised to keep the music level down so it did not disturb the neighborhood. Officers were again dispatched to 3235 West Scott Street for another Loud Music complaint the same night. Officers could hear music from over fifty feet again as they approached The Last Chance tavern. Officers again spoke to the licensee, Vicky Mendez, and she was cited for Noise Nuisances Where Sound Level Measurements Not Practical.

4. That according to Milwaukee Police Department Incident Report 081050243, Milwaukee Police Officers conducted an undercover investigation into drug sales being conducted inside The Last Chance tavern. Between March 8, 2008, and March 14, 2008, an undercover Milwaukee police officer was able to purchase a total of 0.90 grams of cocaine at The Last Chance tavern from a bartender later identified as Joseph Mendez, who is the son of Vicky Mendez. The undercover Milwaukee police officer purchased the cocaine at The Last Chance tavern three times during this time period from Joseph Mendez while he was acting as the bartender. An undercover Milwaukee Police officer was also able to purchase an additional 12.08 grams of cocaine from another bartender, later identified as Santiago Valdez-Gomez, on

April 4, 2008, at The Last Chance tavern. Surveillance was done on the tavern during the late afternoon and evening hours during the months of March and April 2008, and Milwaukee police officers observed several known gang members entering and exiting the tavern on a daily basis. The gang members were identified as members of the Latin Kings and C-14 street gangs. Officers have arrested Valdez-Gomez for Manufacturing/Delivery of Cocaine, and they have made several attempts to locate and arrest Joseph Mendez. Officers have also attempted to notify Vickey Mendez about this case several times, but they have found the bar to be closed each time.

5. That according to Milwaukee Police Department Incident Report 080610153, on March 1, 2008, at 9:37 P.M., multiple Milwaukee Police squads conducted a tavern investigation at 3235 W. Scott St. Officers from the Anti-Gang Unit received information from a confidential informant and information from the Intelligence Division that The Last Chance tavern was known to have a high volume of gang members from the C-14 street gang conducting gang activity at the tavern. During the investigation, a patron, later identified as Santiago Valdez-Gomez, was arrested for Possession of Cocaine, and another patron of the tavern was cited for Disorderly Conduct after he became disorderly and started to yell profanities. Police officers also found twenty-six bottles of liquor that were contaminated and one bottle of Crown Royal that was refilled during the investigation.

6. That according to a Milwaukee Police Department Incident Report 022793037 dated on October 6, 2002, multiple Milwaukee Police squads were dispatched to a Shooting at 3235 W. Scott St., The Last Chance tavern, on October 5, 2002. Police officers found a male who had

been shot in the back at the tavern, and the male stated he did not know who shot him.

7. That according to a Milwaukee Police Department Licensed Premises Report dated November 5, 1994, two Milwaukee Police Officers were dispatched to the complaint of loud music coming from the tavern. Upon arriving, officers observed the rear door of the tavern open and could hear loud music coming from the tavern. The door was then closed before the officers could enter. Officers found approximately 200 persons on the premises, which had a capacity of 80 persons. There was no placard posted regarding occupancy. Underage persons were observed on the premises consuming alcoholic beverages during this investigation.

8. That Milwaukee Police Department Licensed Premises, Incident Reports, and CAD Reports document the following multiple instances of dangerous, violent, and nuisance activity involving this premises: Fights between patrons on 03/13/2007 and 01/31/2008; Graffiti to the tavern on 01/12/2007, 04/06/2007, 03/14/2008, and 04/04/2008; a Burglary to the tavern on 04/06/2008; Presence of Underage Persons in the tavern on 02/03/2006; Sale of Alcohol to Underage Person on 04/05/2003; and Noise Nuisances on 12/17/2001 and 07/28/2008.

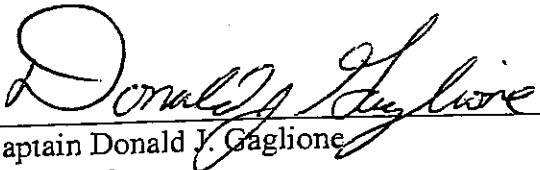

9. On May 12, 2008, Manuel Mendez spoke to District Six Captain Donald J. Gaglione, and he stated he is the husband of licensee, Vickey Mendez. Manuel Mendez stated he has found what he suspected to be cocaine on two separate occasions inside of The Last Chance tavern since 2007. He stated he found eight individual bags he suspected to be cocaine inside of a dollar bill inside of the tavern within the last year, and he washed it down his sink drain.

10. On information and belief the complainant is aware that the alderman of the district in which The Last Chance tavern resides has received frequent complaints about shootings, drug activity, fights, public drinking, loud noise, littering, public urination, and graffiti about The Last Chance tavern located at 3235 West Scott Street. On further information and belief the alderman has also corresponded with the licensee, Vickey L. Mendez, of The Last Chance tavern.

11. That the licensed premise is operated in such a manner that it constitutes a public nuisance and that the above described conduct on the licensed premises has a substantially adverse effect upon the health, safety, convenience and prosperity of the immediate neighborhood.

Therefore, the Chief of Police, by and through Captain Donald J. Gaglione, Commander of Police District Six, respectfully requests that the Class "B" Tavern, Tavern Dance, Amusement Machine Premise, Billiard Hall, Cigarette and Tobacco, Pool Table, and Phonograph/Jukebox Premise licenses of Vickey L. Mendez for the premises known as The Last Chance tavern, located at 3235 West Scott Street, Milwaukee, Wisconsin, be immediately revoked.

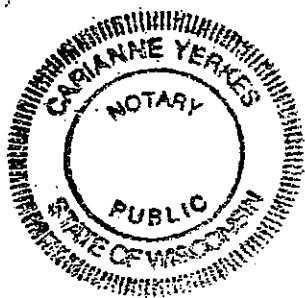

Signed and dated at Milwaukee, Wisconsin this 13th day of August 2008.

Captain Donald J. Gaglione
Commander
Milwaukee Police District Six

The foregoing complaint seeking revocation of the Class "B" Tavern, Tavern Dance, Amusement Machine Premise, Billiard Hall, Cigarette and Tobacco, Pool Table, and Phonograph/Jukebox Premise license was subscribed and sworn to before me this 19th day of August 2008.

The complainant told the officers he was awakened by the loud music coming from inside the tavern at 3235 W Scott Street. He told the officers that he called the bar and asked them if they could lower the music, and the owner's husband said, "No, you should get your windows insulated, so you don't hear the music." The complainant told the officers the bar is a nuisance to the neighborhood every weekend, "The music is so loud, it keeps the neighbors awake at night. The Patrons of the bar also throw their empty beer bottles on neighbors lawns." He said he has tried to work things out with the bar but they become hostile. The officer spoke to the applicant, who stated she didn't think the music was loud at that time. She also stated she did not talk to anybody "tonight" regarding the music. She thinks the neighbors keep calling the police because of their race. "They are Mexican and the neighbors don't like them."

Re: The Last Chance Bar, 3235 West Scott Street

Dear Mr. Murphy:

I have read a letter which is being passed around my neighborhood written by Claire Zellner of 3224 W. Scott Street, and regarding the Last Chance Bar, 3235 West Scott Street. As my house is directly across the street from this establishment, I felt I had to respond to the capricious statements made by Ms. Zellner. I, too, keep track of things happening with the bar, and I must say that my opinion differs greatly from hers. I will try to keep my letter brief, and appreciate your taking the time to read this.

First, her statements about music being played loudly at the bar on May 4th during the middle of the day, let alone on a Saturday, are unjustifiable. She has to remember that there are other people living in this neighborhood. I play my stereo a lot during the summer, especially every Saturday with my doors and windows open and believe me: my stereo is louder than the "jukebox" that is in The Last Chance Bar. As to the traffic problem complained of that night, and perhaps even some of the music that evening, same thing: other people live in this neighborhood. I had 5 friends over to my house for a card game that Saturday and all of them had to park somewhere. Tell me, am I the only resident of this immediate neighborhood that didn't have company over or park their own car on the street that particular evening? No. However, Ms. Zellner would have you believe that it is all from the bar. She even admits in her letter that the police told her to close all her windows and doors to shut out the music and street noise: that's because they had investigated the matter and found that the music was not too loud. And they don't just leave right away either. They sit around the corner; drive around a couple of blocks, and then come back a short while later and then sit in front of the bar. Then they sometimes come back without any calls to follow-up on the initial complaint. So when a police officer says that a noise complaint is unsubstantiated or it's not too loud, I believe them.

Alderman Michael Murphy
June 11, 1996
Page 2

As for her statement "At 11:20 p.m., my neighbor went into the Last Chance Bar, and walked through the premises..." this is also not true. It was Claire herself. I was there and it was her. And as for minors being in the bar, perhaps she may not be well-traveled enough to realize that hispanic men sometimes look very young and are sometimes easily taken as being "under-age" when in a tavern. I know this from personal experience. Perhaps I was one of the patrons that she saw that night and thought was underage. Who's to know.

As to her statements that on Friday, May 10th and Saturday May 11th there were "loud patrons and bar noise being at very high levels..," this is also an absolute lie. No way on Earth would the undersigned tolerate something like which she is describing. It seems to me that she must have sat down with a calendar and picked dates to complain about without realizing that perhaps someone else in the neighborhood might find out about these stories she's hashing. Did she call the police on May 10th and May 11th when at 2:00 AM she supposedly "checked outside and the music was still cranking away"? If not, why would she call the police on the middle of a Saturday afternoon and not for these two, separate incidents? Go figure.

As to the paragraph of Ms. Zellner's letter concerning the events of Sunday, May 12th, I must tell you, Mr. Murphy, that the statements contained therein are even more pretentious. For goodness sakes, it was a Mother's Day party that The Last Chance threw for all of the neighborhood mothers, with free food, soda, and music for the mothers and their families. I was there with my mother and sister from 6PM until 10:30PM and never was the music very loud while we were there, nor afterwards. The police even stopped in, joked that they were there because someone was complaining about the noise, told everyone to "have a good time," and left. I have no idea what she was complaining about. It was a nice party. Perhaps she could have come to the party to break the ice and get to know some of the other neighbors. As for her statement that a car was parked "on the sidewalk" in front of the bar: I think she is sorely mistaken. There was a car parked oddly that night, but it was parked to the absolute corner of the street!

As to her statements concerning the property not being well-maintained and "...all this litter," I must tell you Mr. Murphy, we all suffer from the same dilemma in this area: candy wrappers, popsicle wrappers, soda cans, potato chip bags, etc., which are a daily problem because of the store on the corner, P&D Grocery, and I strongly feel that again, Ms. Zellner would have you believe that all of this is because of the bar. But that isn't true. Most of it is from the store. I pick up trash every day and I have seen Jose Mendez do the same, as well as other homeowners.

Alderman Michael Murphy

June 11, 1996

Page 3

And as to "broken glass" in the area, perhaps she should tell her neighbor at 3228 W. Scott to stop having the "friends" that visit her house throw beer bottles and cans in the street, (which I have caught them doing on more than one occasion). Or perhaps it could have been the teenagers who I have seen gathered and drinking at the front of Ms. Zellner's own home in the past. Again, who's to know. But to just blame it on The Last Chance is not fair at all.

And finally, regarding what Ms. Zellner stated in reference to "...last summer the Last Chance told our neighborhood that we can complain all we want to the Milwaukee Police Department but it would do no good...", it's funny that she didn't mention this to the License Committee at the hearing in January. I'd like to know where she got that from and what other neighbors heard it because I'm in this neighborhood and nothing of the sort was ever said to me.

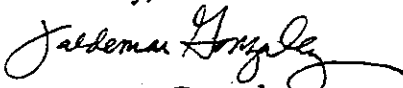

Mr. Murphy, as a sidenote, this neighborhood has a growing hispanic community in the immediate area. Because of this, young hispanic teenagers have been walking around the neighborhood and congregating on street corners, and sometimes even on people's porches. Needless to say, these kids make noise, carry radios, etc., and Ms. Zellner cannot take the noise attributable to the growth of a neighborhood and find a scape-goat to blame it on. While it is true that there were problems in the past, The Last Chance has made great efforts to keep the noise down, trash picked up and so on.

While I appreciate a new "watch-dog" on the block, who does Ms. Zellner think kept tabs on the bar before her? But I have not stopped, and that's why I had to send you this letter the moment I read the one written by Ms. Zellner. Just because she can't park her car directly in front of her house (when she has a two car garage), and have the air be constantly quiet, less the sound of a whispering breeze, she has to complain, complain, complain. She needs to remember: grocery store, traffic, neighbors, teenagers,....they all comprise things that make up noise in a neighborhood. If she's not happy with it, perhaps she should move to the country.

One last thing. If the license of The Last Chance is ever reviewed by the License Committee because of Ms. Zellner's or any other complaints, I would appreciate being notified of any dates for hearings, etc. for said review.

Well, thank you for your time, sir. Any response would be appreciated.

Sincerely,

Valdemar Gonzalez

Monday, May 13, 1996

Mr. Murphy,

Again last Saturday, May 4th, 1996, our neighborhood experienced yet another assault of noise from the THE LAST CHANCE BAR at 33rd and Scott Street. I initially called the Milwaukee Police at 3:00pm for loud music. Apparently a band was having a practice session for the nights events. They took a break at 3:30pm and the police finally arrived at 4:30 pm. Of course, they didn't find any loud music. NOT VERY FAST RESPONSE FOR THE POLICE!!

About 6:00pm the traffic problems started, the loud music started soon after. At 8:30pm myself and two of my neighbors called the Milwaukee Police because of the noise. Approximately 9:45pm the police showed up at THE LAST CHANCE, UNABLE TO FIND A PARKING PLACE, they parked on the corner curb. AGAIN, SLOW POLICE RESPONSE!!

The police went into the bar, came out, and left, without the music ever being turned down!! *Jeanne was outside with police*

At 10:10pm the Milwaukee Police were again called to THE LAST CHANCE BAR for loud disturbing music and street noise. The police person who answered the phone told me to close all my windows and doors to shut out the music and street noise. My windows or doors were NOT open, in fact they are still sealed up for the winter with shrink wrap to keep out the cold.

DOES THIS MEAN I CAN'T OPEN MY WINDOWS ALL SUMMER LONG???

At approximately 10:55pm, a bar patron with a black pick-up (which had been parked in the area since 6:00pm) got into his vehicle and started squealing his tires. Unable to get out of his parking space, he started ramming the cars parked in front of and behind his vehicle. This went on for 10 minutes until the police DROVE BY at 11:05 p.m. (The police didn't even stop into the LAST CHANCE BAR at this time!!)

Claire went in bar

At 11:20pm, my neighbor went into the LAST CHANCE BAR, and walked thru the premises. There was a party in the hall with a live band and minors were in the bar area.

Friday, May 10th, and Saturday, May 11th were no different with the loud patrons and bar noise being at very high levels. At 2:00am Sunday morning I checked outside and the music was still cranking away. How would you like to come to my home and explain to my small children why we are putting up with this when they get stressed out from lack of quiet sleep time. Some nights they have cried themselves to sleep.....

Monday

Sunday, May 12th, the loud music continued. I first called the LAST CHANCE BAR and asked them to please turn down the music and their reply was 'GO AHEAD AND CALL THE POLICE'. So I called at 8:30pm, as did another neighbor. I swore out a complaint and the offices reported that when they entered the bar they could not even talk over the music noise. There is also no security provided in the area by the bar for noisy patrons leaving and disrupting the neighborhood by yelling, slamming car doors, letting their car alarms go off, squealing tires up and down the street, blocking traffic, and creating more traffic problems. Infact, Saturday, night May 11th there was a car parked up on the sidewalk in front of the LAST CHANCE!!

The license suspension earlier this year for 20 days did no good, as my neighbors and myself tried to argue at the liquor licence hearing. THIS IS A RESIDENTIAL AREA!!! We pay taxes and try to raise our children in a neighborhood of peace and quiet, to respect others and their property. The LAST CHANCE IS SETTING A BAD EXAMPLE FOR THE NEXT GENERATION to move into our area.

WHEN IS THIS GOING TO END? WHY ARE YOU NOT TAKING A STAND TO SOLVE THIS PROBLEM, AS YOU PROMISED WITH YOUR LAST ELECTION?? WHY DON'T YOU COME AND OBSERVE THIS PROBLEM AS WE HAVE INVITED YOU TO DO LAST APRIL???

We are half way thru May 1996 and haven't been able to open up our houses yet. There are elderly people in our neighborhood who feel as if we do, but are afraid to speak out, fearing property damage or harassment.

Manny and Vicki don't live in this neighborhood and just don't care as long as they are making money over the bar. Let's start fining them for disturbing the peace, having the police check for hall permits and capacity levels, and checking for underage drinking. The property is not being well maintained as you can see in the enclosed pictures. This property is a neighborhood eyesore. It is littered up and the crowd it attracts doesn't have respect for the neighborhood. How would you like to come home after working two jobs like I do and not be able to park on the street near your home, or if you did find a parking place to park, your tires are on broken glass and all this litter. I have to constantly pick up my front yard from junk and litter thrown out of cars near the bar.

Last Saturday, May 11th, my son, Chris Stewart, found a spent gun shell outside the bar in the street. Let's hope this doesn't escalate into a bigger problem.

We want this place shut down because the suspension did nothing to deter the problems of the LAST CHANCE BAR.

Oh, and one more thing, last summer the Last Chance told our neighborhood that we can complain all we want to the Milwaukee Police Department but it would do no good because Manny has a relative on the Police Force who would pull all our complaints and keep them from being filed. We are keeping log books of how often we call the Milwaukee Police Department.

Claire T Zellner

Thank you for your anticipated cooperation,

Claire Zellner

First, her statements about music being played loudly at the bar on May 4th during the middle of the day, let alone on a Saturday, are unjustifiable. She has to remember that there are other people living in this neighborhood. I play my stereo a lot during the summer, especially every Saturday with my doors and windows open and believe me: my stereo is louder than the "jukebox" that is in The Last Chance Bar. As to the traffic problem complained of that night, and perhaps even some of the music that evening, same thing: other people live in this neighborhood. I had 5 friends over to my house for a card game that Saturday and all of them had to park somewhere. Tell me, am I the only resident of this immediate neighborhood that didn't have company over or park their own car on the street that particular evening? No. However, Ms. Zellner would have you believe that it is all from the bar. She even admits in her letter that the police told her to close all her windows and doors to shut out the music and street noise: that's because they had investigated the matter and found that the music was not too loud. And they don't just leave right away either. They sit around the corner; drive around a couple of blocks, and then come back a short while later and then sit in front of the bar. Then they sometimes come back without any calls to follow-up on the initial complaint. So when a police officer says that a noise complaint is unsubstantiated or it's not too loud, I believe them.

Page 2

As for her statement "At 11:20 p.m., my neighbor went into the Last Chance Bar, and walked through the premises..." this is also not true. It was Claire herself. I was there and it was her. And as for minors being in the bar, perhaps she may not be well-traveled enough to realize that hispanic men sometimes look very young and are sometimes easily taken as being "under-age" when in a tavern. I know this from personal experience. Perhaps I was one of the patrons that she saw that night and thought was underage. Who's to know.

As to her statements that on Friday, May 10th and Saturday May 11th there were "loud patrons and bar noise being at very high levels..." this is also an absolute lie. No way on Earth would the undersigned tolerate something like which she is describing. It seems to me that she must have sat down with a calendar and picked dates to complain about without realizing that perhaps someone else in the neighborhood might find out about these stories she's hashing. Did she call the police on May 10th and May 11th when at 2:00 AM she supposedly "checked outside and the music was still cranking away"? If not, why would she call the police on the middle of a Saturday afternoon and not for these two, separate incidents? Go figure.

As to the paragraph of Ms. Zellner's letter concerning the events of Sunday, May 12th, I must tell you, Mr. Murphy, that the statements contained therein are even more pretentious. For goodness sakes, it was a Mother's Day party that The Last Chance threw for all of the neighborhood mothers, with free food, soda, and music for the mothers and their families. I was there with my mother and sister from 6PM until 10:30PM and never was the music very loud while we were there, nor afterwards. The police even stopped in, joked that they were there because someone was complaining about the noise, told everyone to "have a good time," and left. I have no idea what she was complaining about. It was a nice party. Perhaps she could have come to the party to break the ice and get to know some of the other neighbors. As for her statement that a car was parked "on the sidewalk" in front of the bar: I think she is sorely mistaken. There was a car parked oddly that night, but it was parked to the absolute corner of the street!

As to her statements concerning the property not being well-maintained and "...all this litter," I must tell you Mr. Murphy, we all suffer from the same dilemma in this area: candy wrappers, popsicle wrappers, soda cans, potato chip bags, etc., which are a daily problem because of the store on the corner, P&D Grocery, and I strongly feel that again, Ms. Zellner would have you believe that all of this is because of the bar. But that isn't true. Most of it is from the store. I pick up trash every day and I have seen Jose Mendez do the same, as well as other homeowners.

Alderman Michael Murphy
June 11, 1996
Page 3

And as to "broken glass" in the area, perhaps she should tell her neighbor at 3228 W. Scott to stop having the "friends" that visit her house throw beer bottles and cans in the street, (which I have caught them doing on more than one occasion). Or perhaps it could have been the teenagers who I have seen gathered and drinking at the front of Ms. Zellner's own home in the past. Again, who's to know. But to just blame it on The Last Chance is not fair at all.

And finally, regarding what Ms. Zellner stated in reference to "...last summer the Last Chance told our neighborhood that we can complain all we want to the Milwaukee Police Department but it would do no good...", it's funny that she didn't mention this to the License Committee at the hearing in January. I'd like to know where she got that from and what other neighbors heard it because I'm in this neighborhood and nothing of the sort was ever said to me.

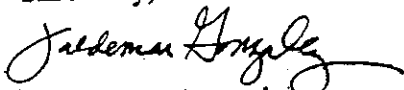

Mr. Murphy, as a sidenote, this neighborhood has a growing hispanic community in the immediate area. Because of this, young hispanic teenagers have been walking around the neighborhood and congregating on street corners, and sometimes even on people's porches. Needless to say, these kids make noise, carry radios, etc., and Ms. Zellner cannot take the noise attributable to the growth of a neighborhood and find a scape-goat to blame it on. While it is true that there were problems in the past, The Last Chance has made great efforts to keep the noise down, trash picked up and so on.

While I appreciate a new "watch-dog" on the block, who does Ms. Zellner think kept tabs on the bar before her? But I have not stopped, and that's why I had to send you this letter the moment I read the one written by Ms. Zellner. Just because she can't park her car directly in front of her house (when she has a two car garage), and have the air be constantly quiet, less the sound of a whispering breeze, she has to complain, complain, complain. She needs to remember: grocery store, traffic, neighbors, teenagers,....they all comprise things that make up noise in a neighborhood. If she's not happy with it, perhaps she should move to the country.

One last thing. If the license of The Last Chance is ever reviewed by the License Committee because of Ms. Zellner's or any other complaints, I would appreciate being notified of any dates for hearings, etc. for said review.

Well, thank you for your time, sir. Any response would be appreciated.

Sincerely,

Valdemar Gonzalez

Re: License Renewal of "The Last Chance"
Address: 3235 West Scott Street, Milwaukee, Wisconsin
Owners: Manuel and Vicki Mendez

Dear Sir or Madam:

As I have been given differentiating information as to the process for the renewal of liquor licenses, I am quickly writing this letter.

I, the undersigned, do hereby vehemently object to the application and/or renewal of any liquor license for The Last Chance located at the above address for the following reasons:

1. The music is played too loudly during late evening hours. Repeated requested to the bar owner, Manuel Mendez, have gone unheeded, as well as phone calls to the police seem to have no effect as they refuse to issue any citations for some unknown reason. Also, the door to his bar gets slammed, slammed and re-slammed throughout the evening until bar close which continuously wakes me. And, further, the lights illuminating his establishment are an eyesore during evening hours.

2. Garbage. The front, sides and rear of the bar are constantly littered with trash including, but not limited to, beer bottles and cigarettes. Also, in the rear of the bar, broken glass has caused many tires to be flattened and the feet of neighborhood children to be cut creating unsafe conditions. During the summer, said refuse also includes thrown out food from his "gatherings" which draw mice and other pestilence to the area including stray dogs and cats.

City of Milwaukee License Division
January 12, 1996
Page 2

3. It is my understanding that The Last Chance does not have a cabaret license, yet Mr. Mendez continues to allow live bands to play in his bar for weddings and other cultural events. This is clearly in violation of municipal ordinance.

4. Parking. I, nor any guests/visitors to my home, can ever find any parking by my house because of the volume of people Mr. Mendez has coming and going out of his bar. His patrons also park in front of my garage slip barring my access to same. If I call the police, by the time they come, they are gone and they can do nothing except to tell me to complain to my alderman or pursue the remedy which I am now seeking.

5. I, as well as others in my neighborhood have witnessed persons exiting The Last Chance and then urinating in other persons yards and on porches.

6. It is my opinion that crime in the area has increased drastically since The Last Chance has been in operation.

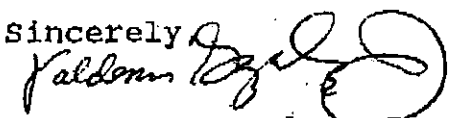

7. Mr. Mendez has repeatedly stated that he ".....don't care what goes on out there" in the neighborhood, even though he and his patrons are the ones that are causing the problems.

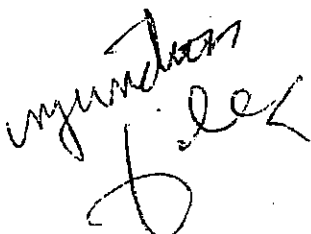

8. It is my opinion that drug and gang activities have been going on inside the bar but Mr. Mendez has stated that he ".....don't care because they pay."

Based upon the foregoing, I respectfully pray that the Common Council of the City of Milwaukee deny any requests for liquor license applications or renewals for the tavern located at 3235 West Scott Street, under the name of "The Last Chance" or any other, requested by Manuel Mendez or any other person for the year of 1996.

Further, the undersigned respectfully requests that a hearing on this matter be held, and, that the undersigned be notified, in writing, of the date and time of said hearing, at which time further documentation, evidence, police reports and other witnesses may give testimony in this matter as to the denial of any liquor license applications.

Sincerely,

Valdemar Gonzalez, Jr.

1) Fighting - Instead of calling the police they lock the patrons out and ~~call~~ turn off all the lights. They don't attempt to do neither call police or stop it

2) Music - is always too loud during the evening and weekends, right before closing. It makes it difficult for people to watch T.V. in their own homes.

3) Traffic - as a taxpayer citizen cannot even park by my own home or my friends who may wish to visit me.

4) Garbage - glass all over in the alley it has been mentioned more than once and the neighbors normally had to go and sweep it up. The people around here have had tire blowouts several times. Also rats were in the neighborhood due to his negligence.

5.) Just recently they had

MR. MURPHY,

JUNE 14, 2002

TODAY IS THE 10TH ANNIVERSARY OF BUYING MY HOME IN MILWAUKEE. THE LAST CHANCE BAR WAS NOT OPEN YET AND THE NEIGHBORS ASSURED ME SINCE THE PREVIOUS BAR OWNERS WERE CLOSED DOWN, THE NEIGHBORHOOD WAS RELATIVELY QUIET.

WELL, AFTER MANY YEARS OF WRITING YOU ABOUT THE LAST CHANCE TAVERN'S NOISE, PARKING, TRAFFIC, FIGHTING, POLICE CALLS, AND MUSIC TROUBLES NOTHING HAS BEEN DONE. MY VEHICLES HAVE BEEN HIT 4 TIMES IN FRONT OF MY HOME, THE MUSIC IS JUST AS LOUD, (EVEN THE BAR OWNER CAN'T HEAR HIS TRUCK ALARM GO OFF) AND I HAVE BEEN TO NUMEROUS LIQUOR LICENSE HEARING WHERE YOU GRANTED THE LAST CHANCE ANOTHER YEAR TO STAY OPEN.

THE ENCLOSE PICTURES ARE FROM THE MORNING OF MARCH 18TH (MONDAY) AFTER ONE OF THE LAST CHANCE PATRONS MOWED DOWN THE SIGN THE NIGHT BEFORE. THESE TYPE OF THINGS GO ON CONSTANTLY. LOOK AT THE RUTS IN THE GRASS. THE SIGN WAS EVENTUALLY MOVED TO THE BAR'S SIDE OF THE STREET AND 'DISAPPEARED' NEVER TO BE REPLACED OR REPORTED (UNTIL NOW).

NOW THE LAST CHANCE IS ADDING ON THE THE OUTSIDE OF THE BUILDING. WHY?? FOR MORE NOISE?? THIS IS A RESIDENTUAL NEIGHBORHOOD!!!! I CAN PUT UP WITH THE REGULAR NOISES OF THE CITY---FIRE TRUCKS, AIR PLANES, TRAINS UNDER THE VIADUCT, BUT NOT HOURS AND HOURS OF LOUD MUSIC, FIGHTS, SHOUTING IN THE STREETS, SWEARING, CUSSING, CAR ALARMS, AND RACING CARS.

ALSO THIS YEAR I HAVE WITNESSED 3 INCIDENTS OF PUBLIC URINATION. I AM ASKING THE CITY TO SUBSIDIZE MY DUPLEX BECAUSE I HAVE NOW LAST MY 3RD TENANT IN 10 YEARS TO THE NOISE AND LAST CHANCE CUSTOMERS. THE LAST TENANT WITNESSED A LAST CHANCE PATRON URINATING ON THEIR TRUCK AND STARTED PACKING THE NEXT DAY.

OTHER NEIGHBORS HAVE TOLD MY THEY HAVE BEEN INTIMIDATED INTO BEING QUIET AND NOT CALLING THE POLICE. I, MYSELF, HAVE

HAD MY GARAGE GRAFFITI'D UP AFTER CALLING THE POLICE FOR NOISE OR FIGHTS AT THE LAST CHANCE.

SO I AM ASKING WHERE I CAN APPLY FOR MY SUBSIDIZED RENT PAYMENTS SINCE THE CITY HAS NOT MADE ANY ADVANCES TO PROTECT MYSELF, MY PROPERTY OR MY INCOME FROM TENANTS.

THANK YOU FOR YOUR ANTICIPATED CO-OPERATION,

Claire T Zellner

Dear Mr Murphy;

I have read the letter send to you on June 14, 2002 written by CLAIRE Zellner 3224 W. Scott Milw Wisc 53215. All CLAIRE needs is A little push to start up again with her complaints. She doesn't have A life only to complain and complain about The LAST chance, litter and etc. CLAIRE doesn't stop to think, look and realize the harm that her house is causing the neighborhood. She doesn't stop to look at the condition of her whole house. The rotten wood and loose paint through out the whole house. This so called loose paint on her house Flies and contains lead and is Contaminating the neighborhood. The LEAD The Contamination! This property is An eye sore to the neighborhood. I take care of my grandson. I spend alot of time with him outside. I find pieces of the chipped PAINT from her house on my property, in the patio. Where I spend time with my grandson outside. These Chips of paint could affect the health of my grandson, or any child in the neighborhood. This is LEAD. Mr. Murphy CLAIRE states that she lost her 3rd

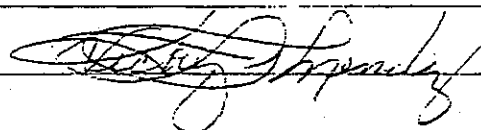

tenant in 10 years. I have enclosed A copy of A letter written to you by CLAIRE dated MAY 13, 1996 She never mentions A tenant only her Son Chris. Two petitions dated Jan. 18, 1996 never to mention A tenant only her son Chris. CLAIRE would state that she worked two jobs And lived in this big house with her two daughters. Now she has tenants. CLAIRE occupies the whole house. CLAIRE states that she has lived at 3224 W. Scott for 10 years And the neighborhood had no bar. This building has been A bar since 1904 And who ever told her different lied to her she should go after the person or person who lied to her. Mr Murphy their Are fast cars that drive down Scott Street All hours of the day. As for alarms their are car alarms All over Milwaukee even in the most of quiet neighborhoods and car alarms go off. My Neighbor on 33rd & Scott has an alarm on his car and the alarm goes off. As for CLAIRE EVEN the cars that pass in the front of her house bother her. She needs to move far out in the country where nothing will bother her.

Mr Murphy myself or Manny we do not intimidate no one we are not like that we have more respect if we can be of some help to someone we are their. As for the Graffiti, we had Graffiti sprayed in the front Alley of 59

building on 9-23-01. We Are not going to blame this on Anyone. This is done by young youths who have nothing else to do but walk the Streets And Alleys And spray Black Paint to spray Graffiti on Any building or garage. Use Common Sense. Police Report on file. As for the roots on the grass the grass gets that way when it is missing water. What is CLAIRE EXCUSE why is her grass the way it is.

We Are not here AS enemies to Anyone. We are here AS neighbors, but when CLAIRE keeps accusing us with lies We have to defend ourselves. We Are trying our best to run a clean establishment this building is well maintained both inside And outside AS you have seen for yourself Mr. Murphy. I wish everyone would get Along We have NO problem. Life is to Short.

Thank You for Your time

3. On 12-17-01, at 12:53AM, officers were dispatched to the Last Chance, at 3235 W Scott Street, regarding a Noise Nuisance Complaint. The complainant told the officers he was awakened by the loud music coming from inside the tavern at 3235 W Scott Street. He told the officers that he called the bar and asked them if they could lower the music, and the owner's husband said, "No, you should get your windows insulated, so you don't hear the music." The complainant told the officers the bar is a nuisance to the neighborhood every weekend, "The music is so loud, it keeps the neighbors awake at night. The Patrons of the bar also throw their empty beer bottles on neighbors lawns." He said he has tried to work things out with the bar but they become hostile. The officer spoke to the applicant, who stated she didn't think the music was loud at that time. She also stated she did not talk to anybody "tonight" regarding the music. She thinks the neighbors keep calling the police because of their race. "They are Mexican and the neighbors don't like them."

Upon arriving, officers observed the rear door open and could hear loud music. The door was closed before officers could enter. 3. On 12-17-01, at 12:53AM, officers were dispatched to the Last Chance, at 3235 W Scott Street, regarding a Noise Nuisance Complaint. The complainant told the officers he was awakened by the loud music coming from inside the tavern at 3235 W Scott Street. He told the officers that he called the bar and asked them if they could lower the music, and the owner's husband said, "No, you should get your windows insulated, so you don't hear the music." The complainant told the officers the bar is a nuisance to the neighborhood every weekend, "The music is so loud, it keeps the neighbors awake at night. The Patrons of the bar also throw their empty beer bottles on neighbors lawns." He said he has tried to work things out with the bar but they become hostile. The officer spoke to the applicant, who stated she didn't think the music was loud at that time. She also stated she did not talk to anybody "tonight" regarding the music. She thinks the neighbors keep calling the police because of their race. "They are Mexican and the neighbors don't like them."

Case: 02011767

5. On 4-5-2003 at 8:20pm, an underage Milwaukee Police Aide entered The Last Chance Tavern, 3235 W Scott St at the direction of Milwaukee Police Officers. The aide was able to purchase a 12 oz bottle of Miller Lite Beer from the bartender, Jaime M Bremer.

Upon entering the premises, he observed a young looking male in the rear of the tavern at the pool table. He asked for some ID. The patron provided an ID clearly showing he was under 21 years old. The patron stated he was not carded when he came into the tavern. He was not accompanied by a parent or guardian. The following citation was issued to the licensee.

7. On 03/13/07 at 11:41 pm, Milwaukee Police were dispatched to a Fight at The Last Chance bar. Investigation revealed two patrons began arguing over one taking the others beer. This caused a disturbance and the bartender, identified as Manuel Mendez, stated when he confronted the patron who was accused of taking the beer, the patron then became angry and started to yell at him. Police were then called and were no longer on scene when officers arrived.

the patrons

8. On 03/01/08 at 9:37 pm, Milwaukee police conducted a tavern investigation at 3235 W Scott. Officers from the Anti-Gang Unit received information from a confidential informant that the Last Chance tavern was known to have a high volume of gang members from the C14's conducting gang activity. The informant also stated that the tavern owners' son operates the tavern and is also a known gang member. Officers entered the tavern and advised the bartender that they would be conducting a tavern investigation and the bartender stated she understood. Officers were then approached by a subject who identified himself as Joseph Mendez and officers requested to see the taverns licenses. Investigation found a patron to be in possession of cocaine and he was arrested and charged with POCS-Cocaine. Another patron became disorderly and started to yell profanities and this subject was issued a citation for disorderly conduct. During this investigation, police found 26 bottles of liquor that were observed to be contaminated and 1 bottle of Crown Royal that was observed to be refilled.

9. The following incidents were reported during an uncover investigation into drug sales being conducted inside the Last Chance tavern:

On 03/08/08 at 6:25 pm, an uncovered Milwaukee police officer was able to purchase .43 grams of cocaine from the bartender at the Last Chance bar located at 3235 W Scott Street. The bartender was identified as Joseph Mendez. This drug transaction took place while Mendez was bartending at the bar. On 03/12/08 at 9:15 pm, an uncovered Milwaukee police officer was able to purchase .28 grams of cocaine from the bartender at the Last Chance bar located at 3235 W Scott Street.

The bartender was identified as Joseph Mendez and the buy was conducted while Mendez was bartending. It was learned that Mendez lives in the upper residence above the bar with his mother Vickey Mendez, who is the taverns licensee. On 03/14/08 at 6:25 pm, Joseph Mendez, while bartending, again delivered .19 grams of cocaine to an undercover officer who was inside the Last Chance tavern. On 04/04/08 at 7:05 pm, a bartender, identified as Santiago Valdez-Gomez, offered to sell undercover officers eight ounces of cocaine for \$120.00 and told officers to call him back later to make the drug deal. This verbal drug deal took place while Valdez-Gomez was bartending at the Last Chance tavern. At 8:40 pm, Valdez-Gomez instructed another subject who was in the tavern to sell 1.67 grams of cocaine for \$120.00 to the undercover officer. It should be noted that during the months of March and April, on several occasions, surveillance was done of this bar during the late afternoon and evening hours and officers observed on a daily basis several known gang members entering and exiting this tavern. Gang members were identified as members from the Latin Kings and C14's. Officers have made several attempts to locate and arrest Joseph Mendoza and Santiago Valdez-Gomez and to notify Vickey Mendez about this case, but found the bar to be closed.

10. On 04/18/08 at 9:44 pm, Milwaukee police were dispatched to complaints of Loud Music at 3235 W Scott Street. Officers were about one block away and could hear loud music. Officers found the music to be coming from the Last Chance bar and spoke to the licensee Vickey Mendez. Mendez stated there was a wedding reception in the back room and that the music was not loud. Officers found the level to be at an unacceptable level and advised Mendez that it does disturb her area neighbors. Mendez was instructed to tell the DJ to lower the music level and keep it at an acceptable level for the rest of night. At 10:50 pm, officers were again dispatched to 3235 W Scott for a loud music complaint. Police could hear the music being played from over 50 feet away. Officers spoke to Vickey Mendez again and cited her for Noise Nuisances.

At 5:50 pm, I was introduced by P.O. BOHLEN to a confidential informant (C.I.). The C.I. advised me that [redacted] knew a H/M by the nickname of "Gato" who was selling cocaine salt out of the Last Chance bar. It should be noted that P.O. BOHLAN had identified "Gato" as Joseph G. MENDEZ (H/M, 12-11-70). The C.I. advised me that MENDEZ parents owned the bar and that MENDEZ was a bartender at the bar. The C.I. stated that they would be able to introduce me to MENDEZ and that he would sell me cocaine salt. The C.I. further stated that MENDEZ and his parents lived in the apartment above the bar. P.O. BOHLEN showed me a booking photo (booking number 110612767) of MENDEZ that he had obtained through our Milwaukee Police Department Crimes computer.

At 6:05 pm, the C.I. and myself went to the Last Chance bar, 3235 W. Scott St. It should be noted that I was working in an undercover capacity. As I sat at the bar, I noticed that the bartender was MENDEZ. It should be noted that MENDEZ was the only bartender and that there was only one other subject besides, MENDEZ, the C.I., and myself. The C.I. introduced me as [redacted] to MENDEZ and MENDEZ stated that called him "Gato". The C.I. and myself engaged MENDEZ in conversation. After a few minutes the C.I. advised MENDEZ that I was looking to buy some "Powder" (cocaine salt). MENDEZ asked me how much I was looking to buy. I advised him a "Dub". "Dub" is a street term for twenty dollars. MENDEZ reached into his right front pants pocket and retrieved a clear plastic, corner cut baggy with suspected cocaine salt and handed it to me. I handed MENDEZ a pre-recorded twenty dollar bill. The C.I. asked MENDEZ if I could call him in the future if I needed more. MENDEZ stated that it was fine and gave me his phone number (262-880-0127). The narcotic transaction occurred at 6:25 pm. The C.I. and myself exited the bar and advised squads of the buy.

I hand carried the suspected cocaine salt to the Vice Control Division and handed it over to P.O. JUAREZ. P.O. JUAREZ subjected a sample of the suspected cocaine salt to the Cobalt Thiocyanate field test. The substance tested positive for the presence of cocaine. The cocaine weighed a total of .43 grams and was placed on inventory #414949.

On Wednesday, March 12, 2008, I [redacted] went to 3235 W. Scott St. (Last Chance Bar) regarding an attempt follow up narcotics buy from MENDEZ. Assisting in the investigation were squads 7870 (Det. Robert REHBEIN and Det. Britt KOHNERT), squad 7873 (P.O. Jason ENK and P.O. Angela JUAREZ), and

At 9:00 pm, I entered the Last Chance Bar by myself. It should be noted that I was working in an undercover capacity. As I proceeded to take a seat near the bar, I observed MENDEZ seated behind the bar. MENDEZ walked over to me and stated, "Where you been?" I advised MENDEZ that I had been busy working. MENDEZ stated, "Well I gotta bartend because my dads still out of town. He left me in charge until he gets back." MENDEZ asked, "So you need something?" I advised MENDEZ that I needed a "Twenty" (Twenty dollars worth of cocaine salt). MENDEZ stated, "Give me a second, Ill be right back." I then observed MENDEZ walk from behind the bar and proceed to walk to the upstairs of the dwelling through a door located to the right of the bar. After a few minutes MENDEZ returned to the bar. MENDEZ walked over to where I was seated and handed me a clear plastic, corner cut baggy with suspected cocaine salt. I handed MENDEZ a pre-recorded twenty dollar bill. MENDEZ stated, "Hey, you should go in the bathroom and take the "hit" here because theres a lot of police in the area and I don't want you to get arrested." MENDEZ further stated, "Yeah the police were in here a couple of weeks ago and didn't find my cocaine. They were all pissed off. They tried to get me." I advised MENDEZ that I would be coming back in the next few days for more. I exited the bar.

The narcotic transaction occurred at 9:15 pm. It should be noted that the majority of the conversation was conducted in Spanish.

I hand carried the suspected cocaine base to the Vice Control Division and handed it over to P.O. JUAREZ. P.O. JUAREZ subjected a sample of the suspected cocaine salt to the Cobalt Thiocyanate field test. The substance tested positive for the presence of cocaine. The cocaine weighed a total of .28 grams and was placed on inventory #417434.

On Friday, March 14, 2008 at around 6:15 pm, I (squad 7871) went back to 3235 W. Scott St. in an attempt to purchase cocaine salt from MENDEZ. Assisting in the investigation were squads 7870 (Det. Britt KOHNERT) and squad 7872 (P.O. Jose VIERA and P.O. Rachel SZEDZIEWSKI).

At 6:16 pm, I entered the Last Chance bar by myself. It should be noted that I was working in an undercover capacity. I sat at the bar and observed MENDEZ serving other patrons beer. MENDEZ walked over to my location and greeted me. MENDEZ asked me if I wanted a beer. After a few minutes of conversation MENDEZ stated, "So you need a twenty?" I advised MENDEZ that I did. MENDEZ handed me a clear plastic, corner cut baggy with suspected cocaine salt. I handed MENDEZ a pre-recorded twenty dollar bill. The narcotic transaction occurred at 6:25 pm. I began speaking to MENDEZ again and advised him that I had some friends that wanted to buy some "Powder". MENDEZ stated, "Man, well don't bring them here. The police are watching this spot." I advised MENDEZ that I wasn't planning to bring anybody to the bar, but wanted to know if I could get some more. MENDEZ stated, "Well how much you want? A ball?" "Ball" is a street term for an eighth of an ounce of cocaine. I advised MENDEZ that would be fine. MENDEZ stated, "Well come back on Tuesday after eight o'clock and I'll have it for you. Its gonna cost you \$120.00". I advised MENDEZ that the price was fine and that I would be back on Tuesday. I exited the bar and advised squads of the buy.

I hand carried the suspected cocaine salt to the Vice Control Division and handed it over to Det. KOHNERT. Det. KOHNERT subjected a sample of the suspected cocaine salt to the Cobalt Thiocyanate field test. The substance tested positive for the presence of cocaine salt. The substance weighed a total of .19 grams and was placed on inventory #417470.

On Friday, April 04, 2008 at 7:00 pm, I went to 3235 W. Scott St., Last Chance Bar in an attempt to purchase cocaine salt. Assisting in the investigation was squad 7870 (Det. Robert REHBEIN), and squad 7873 (P.O. Jason ENK and P.O. Angela JUAREZ).

At 7:05 pm, I entered the bar and observed a bartender (Santiago VALDEZ-GOMEZ, H/M, 11-09-76). It should be noted that I had previously identified VALDEZ-GOMEZ through our Crimes Computer program at the Vice Control Division and had observed a Milwaukee Police Department booking photo of him. I asked VALDEZ-GOMEZ where "Gato" was. VALDEZ-GOMEZ advised me that "Gato" (MENDEZ) had gone to Mexico and would not be back soon. VALDEZ-GOMEZ asked me what I needed. I advised him that I needed an "Eight Ball" (Eighth of an ounce of cocaine). VALDEZ-GOMEZ stated, "Well if you want I can get it for you." I advised him that I did need it. VALDEZ-GOMEZ stated, "Well how much did Gato charge you?" I advised him \$120.00. VALDEZ-GOMEZ advised me to call him at 419-7009 (bar phone number) and ask for "Santiago" at 8:30 pm and that he would have it. I advised him

that I would call and I proceeded to exit the bar.

At 8:30 pm, I called the phone number of 419-7009 and asked for "Santiago". The subject on the phone advised me that he had the cocaine salt and to call back when I was outside. The conversation was terminated.

At 8:37 pm, I called the phone number of 419-7009 and advised the subject on the phone that I was outside. The conversation was terminated.

At 8:38 pm, I observed a H/M (Described as 25-27 years old, 508-510 ft, 180-190 lbs, black hair, wearing a black jacket and blue jeans) walking towards my auto, as well as Santiago VALDEZ-GOMEZ. I unlocked the door and the H/M sat in the front passenger seat. VALDEZ-GOMEZ stood outside the front passenger door and stated to me, "This is my guy. He's got some real good powder." VALDEZ-GOMEZ left our location and re-entered the bar. The H/M asked me if I was "Santiago's" friend. I advised him I was. The H/M stated that he had two sixteenths (sixteenth of an ounce of cocaine) that he would sell me for \$120.00. I handed the H/M six pre-recorded twenty dollar bills. The H/M handed me two clear plastic, corner cut baggies with suspected cocaine salt. I asked the H/M if I could call him in the future. The H/M stated that I could call him and gave me a phone number of 393-7291. The H/M advised me that he was "Rey". I asked the H/M how much I could get from him. The H/M stated, "Man, I can get you half a kilo if you need it." I advised the H/M that I wanted to start small with him and try his product first. I then asked him how much he would charge for a half ounce. The H/M stated that he would charge me \$370.00 for the half ounce. I advised him that I would call him if I liked the cocaine salt he had sold me. The H/M exited the auto and I drove away. The narcotic transaction occurred at 8:40 pm.

I hand carried the suspected cocaine salt to the Vice Control Division and subjected the substance to the Nark II 07 field test. The substance tested positive for the presence of cocaine salt. The substance weighed a total of 1.67 grams and was placed on inventory #417979.

On Wednesday, April 09, 2008 at 5:00 pm, I called the phone number of 393-7291 and spoke to a subject who identified himself as "Rey". I advised "Rey" that I was and that I was still interested in the half ounce of cocaine salt. "Rey" advised me that he did have the half ounce and would still charge me \$370.00. I asked "Rey" where I could meet him. "Rey" advised me to meet him at the El Rey foodmart on S. 13 St. and W. Burnham St. I advised "Rey" that I was still at work and did not get out until 6:00 pm. I further advised him that I would call him once I got out. The conversation was terminated.

At 6:15 pm, I called the phone number of 393-7291 and spoke to a subject who identified himself as "Rey". I advised "Rey" that I was at the El Rey foodmart waiting on him. "Rey" advised me that he was driving a black Ford Mustang and would be there in 10 minutes. The conversation was terminated.

At approximately 6:25 pm, I observed an auto (95/FORD/MUST/2DR/BLK/930HJV/WI) park next to my undercover auto. I observed the driver and identified him as the same subject from April 04, 2008. "Rey" exited his auto and sat in the front passenger side of my auto. "Rey" handed me a clear plastic, corner cut baggy with suspected cocaine salt. I handed "Rey" \$370.00 in pre-recorded money. "Rey" asked me if I needed any more. I advised "Rey" that I

had some friends who were interested in buying higher quantities of cocaine salt. "Rey" advised him that if I brought him clients, he would charge me less for the cocaine salt. I advised "Rey" that I would be contacting him in the near future for an ounce or possibly two. "Rey" advised me that he would be able to get nine ounces if I needed. "Rey" exited my auto and re-entered the same auto he had been driving.

I hand carried the suspected cocaine salt to the Vice Control Division and subjected a sample to the Nark II 07. The substance tested positive for the presence of cocaine salt. The substance weighed a total of 12.08 grams and was placed on inventory #420905.

On 04-11-08 at 9:10 pm, Det REHBEIN located a subject matching the description of "Rey" at 2513 S. 11th St. The subject that Det. REHBEIN had located had a name of Jorge SANDOVAL-RODRIGUEZ (H/M, 10-12-83). I positively identified SANDOVAL-RODRIGUEZ as the subject who had sold me the cocaine salt on two separate occasions. SANDOVAL-RODRIGUEZ was arrested.

Det. REHBEIN will be filing a clearance report regarding the arrest of SANDOVAL-RODRIGUEZ and evidence recovered.

It should be noted that I have gone to the Last Chance bar on numerous occasions and have been advised that MENDEZ was still in Mexico or Texas.

On Tuesday, April 15, 2008 at 9:00pm, I went to the Last Chance bar in an attempt to locate VALDEZ-GOMEZ with negative results. I will be requesting arrest warrants for both subjects.

VALDEZ-GOMEZ has an open criminal POCS-cocaine case (08CM001302) and has a future court appearance scheduled for May 15, 2008 at 8:30 am.

5'11"-6'00", 180 lbs., black and white jacket, and blue sweatpants.

This investigation was pended to conduct additional narcotics transactions from the suspect.

I conducted a DOT check of the vehicle registration plate (930-HJV) which revealed it listing to Gelasio SANDOVAL RODRIGUEZ at 2513 S. 11th St. on a black 1995 Ford Mustang Coupe. I checked the Milwaukee Police Department booking photographs for the owner of the suspect vehicle but was met with negative results.

On Monday, 04/14/08, at 4:00 PM, [redacted] attempted to contact the suspect at his cellular phone. [redacted] was unsuccessful after repeated attempts to contact the suspect.

At 9:10 PM, Det. Paul FORMOLO and I went to 2513 S. 11th St. to check for the suspect. The following additional Squads also responded to the location: Sqd. 7872 P.O. Rachel SZEDZIEWSKI/ P.O. Jose VIERA, and Sqd. 7873 P.O. Jason ENK/ P.O. Angela JUAREZ.

I observed the black Ford Mustang 2 door, Wisconsin registration plate 930-HJV parked at 1100 W. Arthur Ave.

The suspect, Jorge nmn SANDOVAL-RODRIGUEZ W/M 10/12/83, answered the door and allowed entry inside his residence. I positively identified Jorge SANDOVAL-RODRIGUEZ as the suspect involved in the transaction with [redacted] on 04/09/08, at 5:29 PM, at the parking lot of 1320 W. Burnham St.

I directed P.O. Jason ENK to place the suspect in custody. P.O. Jose VIERA received consent from Jorge SANDOVAL-RODRIGUEZ to conduct a search of his residence. I will note that P.O. VIERA spoke in Spanish to the suspect.

During a custodial search of SANDOVAL-RODRIGUEZ, P.O. VIERA recovered \$74.00, along with numerous identification cards from his person. These identification cards included the following:

- Social Security card listing the name Reymundo ALVARADO
 - Mexican school identification card listing the name Jorge SANDOVAL RODRIGUEZ

 - Wisconsin Identification card listing the name Reymundo ALVARADO
 - Motor Casting Company Work Identification card listing the name Reymundo ALVARADO
- The identification cards were later placed on inventory #419801.

I conducted a search of the hallway area. I recovered a T-Mobile statement inside a shelf affixed to the hallway wall. I observed the statement addressed to Jorge SANDOVAL at 2513 S. 11th St. I further observed the mobile number as (414) 393-7291.

I will note that the phone number listed in the statement and business card were identical to the number called by [redacted] to arrange the undercover narcotics purchases.

The phone statement was later placed on inventory #419801.

Det. FORMOLO conducted a search of the living room area. Det. FORMOLO recovered a black and white "Chicago" team jacket on the couch. Det. FORMOLO observed the jacket as similar to the jacket worn by the suspect during the transaction on 04/09/08, at 6:29 PM, on the parking lot of 1320 W. This clearance report is typed by P.O. Evelyn LAZO, assigned to District #2 Anti-Gang Unit, Squad 2260, Early Shift.

On 03/01/08 at 9:37PM myself along with my partner P.O. BERGEMANN, Squad 2261 (P.O. KELLER), Squad 2217 (Sgt. KARWOSKI), Squad 6263 (P.O. GRAMBOW / P.O. SCHLACHTER), Squad 6214 (Sgt. MUELLER), Squad 6262 (P.O. COLON / P.O. PANFIL), Squad 6421 (P.O. RIVERA), Squad 5820 (Det. BEHNING) and Squad 5832 (P.O. LOPEZ) conducted a tavern investigation at 3235 W. Scott (The Last Chance).

We received information from a confidential informant and information from the Intelligence Division that this tavern is known to have a high volume of known gang members conducting gang activity. This gang is known to be the C14's (Clantones). We also received information that the owner's son identified as Joseph G. MENDEZ (W/M, 12/11/70 of 3235 W. Scott) operates the tavern and is also a member of the C14's.

Upon entering the tavern I observed several patrons seated at the bar and several patrons playing pool at the back of the bar. Sgt. KARWOSKI spoke to the bartender and informed the bartender that we were conducting a tavern investigation and she stated that she understood. At this time a male subject who was seated at the bar stated that he runs the bar and he wanted to know what was going on. I then approached the subject who was later identified as Joseph G. MENDEZ. I informed MENDEZ that we were conducting a tavern investigation and that we needed to see all his licenses.

While MENDEZ stood up to get the licenses, a subject seated next to where I was standing, stood up quickly from where he was seated with both hands in his pant pockets. The subject almost fell on the tavern floor due to both hands being in his pockets. I then instructed the subject to let me see his hands and to remove his hands out of his pant pocket. The subject later identified as Santiago VALDEZ-GOMEZ (W/M, 11/09/76 of 3235 W.

Scott, cell phone # 419-7009) appeared nervous and stated in spanish that he did not speak English and did not understand what I was saying. I then spoke to him in Spanish and instructed him to let me see his hands. I then grabbed his arm and asked him if he had anything illegal on him and VALDEZ-GOMEZ stated, what in Spanish. I then asked him again and he again responded, what.

I asked VALDEZ-GOMEZ if he understood what I was saying in Spanish or did he prefer me to speak in English. VALDEZ-GOMEZ stated that he understood and removed his hands out of his pockets. Concerned for mine and other officers safety, I searched his pockets where his hands were and located a folded dollar bill containing a white powdery substance suspected cocaine. VALDEZ-GOMEZ stated that he found the cocaine on the floor and put it in his pocket. He stated that he knew that it was cocaine. It should be noted that due to my training and experience I know that a folded dollar bill is a common way to conceal cocaine.

VALDEZ-GOMEZ was arrested and conveyed to District #2 for processing.

The suspected cocaine was conveyed to District 2, and it was tested by P.O. BERGEMANN. It subsequently tested positive for Cocaine, with a total weight of .02 grams. The cocaine was placed on Milwaukee Police Department Inventory #389259.

INTERVIEW OF WITNESS (STEFANI AMADO)

I then spoke to Stefani K AMADO W/F 2-19-46 of 1231 South 33rd Street Milwaukee 53215 Phone 643-5235. AMADO related that on Sunday, October 5, 2002 at about 9:00pm, she arrived alone at the tavern. Regarding this incident, AMADO related that she was sitting at the bar on the north side of the bar. She related that she was watching TV and not really paying attention to anyone in particular. She related that the tavern was very crowded with customers. She related that a group of about 8-15 people were leaving the tavern. AMADO was unable to provide any descriptions of any of the customers. She related that she then heard what sounded like a bottle dropping to the ground as this group of 8-15 people left the tavern. She related that she then heard someone say, " He's been shot". She related that she then turned around and saw a male (victim - Primitivo nmi TORRES H/M 4-10-70) start to bend over and then he fell to the ground. She related that she went over to where the male fell to the ground and started helping him by putting towels by him. She related that she did not see who had shot him. AMADO also related that from 9:00pm to the time of this offense, there was noone exchanging word, arguing or fighting in the tavern. She related that it appeared to her that everyone was having a good time in the tavern. She related that she did consume about 5-6 Barcardi & Coke drinks while she was at the tavern but she related that she was not intoxicated. AMADO related that she is willing to help in court if needed regarding this case. She was ordered into view photos. AMADO had no further information regarding this offense.

This report is written by PO Amanda BAUER, Dist. 6, early, Sqd. 246 with PO Kevn PANFIL. On Fri., 02-03-06, 4:55 p.m., Sqd. 246 conducted a tavern check at Last Chance, 3235 W. Scott St.

Upon entering the tavern, I observed a w/m, to the rear of the tavern at a pool table, who appeared to be under the age of 21. I asked for ID at which time he produced a WI issued ID that identified the w/m as a Cesar NMI MACIAS, w/, 12-16-85, 2166 V Forest Home Ave. The ID also displayed under 21 until 12-16-06 underneath his DOT photo. MACIAS stated that no one carded him when he came into the tavern. It should also be noted that MACIAS was not with a parent, guardian or spouse who was 21 or older. MACIAS thought he could be in the bar even though he wasn't 21.

I then spoke to the owner's husband, Manuel J. MENDEZ, w/m, 11-28-49, 3235 W. Scott St., upper, who stated that he didn't realize that there was a 20 yoa male in his wife's tavern, nor did he give permission for anyone under 21 yoa to be in the tavern. I then left a copy of the citation with MENDEZ and he acknowledged receipt by signing the back of the green. (Proof of receipt) He stated he would get the citation to his wife.

A check of the licenses revealed that all were properly posted. I observed no other violations within the tavern.

This report was written by Officer Frederick TERRIQUEZ assigned to the 6th District, early shift.

On Tuesday, March 3th, 2007 at 11:41pm, Officer Jill RILEY and I, squad 64E, were dispatched to a fight at The Last Chan tavern.

The caller, Vickey MENDEZ (w/f, 11-08-48, the owner of the tavern) stated two subjects were fighting, but no weapons were seen.

Upon arrival, I spoke to Manuel MENDEZ, w/m, 11-28-49. He is Vickeys husband. He stated at approximately 11:35pm, that date, while bartending, two male subjects came into the tavern.

MENDEZ describes the subjects as the following: 1. Hispanic male, 20 years of age, 5'10 with black hair in a pony tail. This actor had various tattoo's on his arm and neck, but MENDEZ was unable to identify them. This actor was wearing a white Polo shirt with green and red stripes and a blue denim jacket and blue jeans.

2. Hispanic male, 20 years of age, 5'10, and wearing a Chicago White Sox jacket. No other description was given regarding his subject.

He stated the subjects sat at the counter. The first subject purchased a Corona beer in a bottle. While MENDEZ served the subject his Corona beer, he realized the subject was previously intoxicated. MENDEZ confronted the subject and denied him the beer removing it from the counter. The subject became angry and began yelling at MENDEZ.

MENDEZ stated both actors began yelling; disturbing the other patron in the bar. MENDEZ then stated his wife Vickey then called police. The actors left shortly after in an unknown direction.

Squad 663G, and Squad 6E also responded to our location to canvass the area but the actors were gone on arrival. Case ending.

This report was typed by P.O. Todd Bohlen, assigned to Gang squad day shift.

On Saturday, 03/08/2008 at 6:25 pm an undercover police officer purchased .43 grams of cocaine salt for \$20.00 from the bartender at the Last Chance bar located at 3235 W. Scott St. The bartender who sold the drugs was positively identified as:

Joseph G. Mendez, hispanic male, 12/11/1970. This drug transaction took place when Mendez was bartending at the bar.

On Wednesday, 03/12/08 at 9:15 pm Joseph Mendez again delivered .28 grams of cocaine salt to the undercover police officer for \$20.00 while he was bartending at the Last Chance bar.

Investigation revealed that Mendez lives in the upper residence above the bar with his mother Vickay L. Mendez, who is the bar licensee.

On Friday, March 14, 2008 at 6:25 pm Joseph Mendez again delivered .19 grams of cocaine salt to the undercover police officer for \$20.00 while he was bartending at the Last Chance bar.

On Friday, April 4, 2008 at 7:05 pm a bartender positively identified as: Santiago Valdez - Gomez, hispanic male, 11/09/1976,

offered to sell the undercover police officer an eighth of an ounce of cocaine for \$120.00, and told the undercover officer to call him back later to make the drug deal. Note this verbal drug deal was done when Valdez - Gomez was bartending at the Last Chance bar. Later at 8:40 pm Valdez - Gomez exited the Last Chance bar and instructed another subject, later identified as:

George Sandoval - Rodriguez, hispanic male, 10/12/1983, to sell the undercover officer 1.67 grams of cocaine salt for \$120.00.

Also on several occasions during the months of March and April 1, (P.O. Bohlen) conducted surveillance of this bar during the late afternoon and evening hours and observed on a daily basis several known gang members enter and exit this bar. These gang members were members of the southside criminal street gangs, Latin Kings, and C-14's.

This report is written by P.O. Michael W. STINSON, assigned to District #6, Power Shift, Squad #6420.

On Friday, April 18th, 2008, at 9:44 P.M., P.O. Anthony SCHMITZ and I were dispatched to a complaint of loud music at 3235 W Scott St.

Upon arrival, I could hear the music from over a block away coming from the Last Chance Bar at 3235 W Scott St. Upon entry I spoke with the owner of the bar, Vickey L. MENDEZ, W/F, 11-08-48, 3235 W Scott St. #A, who stated that there was a wedding reception in the back room and that the music really was not that loud. I observed that the operation of music producing equipment to be at a level that was disturbing to the peace, quiet and comfort of the surrounding residential neighborhood. Officer SCHMITZ spoke with the caller who complained that the noise level was disturbing and she could not even hear her own TV. MENDEZ instructed the DJ to lower the music. MENDEZ was instructed to keep the music sound level suitable for the neighborhood and the time of night it was.

At 10:50 P.M. my partner (P.O. SCHMITZ) and I, were again dispatched to the Last Chance Bar, 3235 W. Scott St. for complaint of loud music. Upon arrival the music could be heard from over 50 ft. away. I then spoke with the owner, MENDEZ again and cited her for Ordinance violation 80-65-4, Noise nuisances where sound level measurements not practical.

 This report is being submitted by Officer Carlos Felix assigned to squad 6269 at District 6 early.

On Friday April 04, 2008 at 4:33 p.m. I responded to the One Last Chance tavern located 3235 west Scott St., for a graffiti complaint that I was given by Captain Donald J. Gaglione.

While on scene I spoke to the owner Manuel J. Mandez (m/w 11-28-49). Manuel stated that on Thursday, April 3, 2008 at 8:00 p.m. he did not see the large blue spray painted "21" graffiti on the west wall of his building. On Friday April 4, 2008 at 1:30 p.m. he was taking his wife to a doctor's appointment when he observed the blue graffiti on the wall. He did not see anyone do this to his property and he did not give anyone consent to paint his property. Manuel believed a neighbor that lived across the street might have seen the actor who painted the graffiti on the wall. As I was talking to Manuel a male approached me and stated he may have seen the actor who was responsible for the graffiti.

The male witness who approached me was identified as William L. KOZLOWSKI (m/w/ 12-12-48). William stated that around 9:45p.m. that morning he came out of his house to get his mail and then go to Walgreens. As he was outside getting his mail, William observed a black male around 17 to 18 years of age, 508 in height, 160 pounds with short hair wearing a light beige coat shaking a blue spray paint can as he walked eastbound down the center of west Scott St. and South 34rd St. William stated to the male, "you're not going to do garages", and the male replied "no, I only do streets". As William walked eastbound to go to Walgreens he observed the large blue "21" graffiti on the west wall of 3235 west Scott St. The black male walked eastbound on west Scott St. and then in an unknown direction. William stated that he would not be able to identify the male because he did not get a good look at his face.

I spoke to a neighbor located at 1203 S. 33rd St. who was identified as Esther Aniel Quinones(F/W 11/07/72). Esther stated, that around 10:00 a.m. she stepped out of her front door to get her mail and at that time she observed a male shaking a spray paint can and painting graffiti on the west wall of 3235 west Scott St. Esther became scared and went back into her house closing the door. She came back out a short while later and the male was gone. Esther gave a description of a black male with a slim build, short braided hair, around 508 in height, 130 to 140 pounds, with a blue hooded jacket and jeans. Esther stated that she would not be able to identify the male because she was afraid to look him because he might see her.

I contacted Lieutenant Robbins at District Six and got his approval for a photo Tech.

Squad 1830, ID Tech, Steven KANE responded to my location and took 6 photos at 5:30p.m.

This report is written by P.O. Jimmy CASTILLO, assigned to district 6, late shift. On 04-06-08, at about 6:12am Sqd. 6324 (P.O.'s CASTILLO and MEJIAS-RIVERA), was dispatched to a burglar alarm at 3235 W Scott St. (The Last Chance Bar). Upon arrival, we spoke to armed security that responded to the alarm, Charles CRAWFORD. CRAWFORD is employed by Special Ops Security. CRAWFORD stated the alarm to the business was tripped at 5:35am. He was dispatched to verify the alarm at 5:55am and was on scene at 6:04am.

I observed the front door of the business, which is located on the north side of the building, was forced open by an unknown tool. The area behind the bar on the east side of the inside was ransacked and damaged.

I then spoke to the owner, Vickey MENDEZ who stated the bar was closed at 2am on 04-06-08. MENDEZ stated the cash register and the money inside was all that was missing. The money inside was about \$170.00 in unknown denominations. Nobody was given consent to enter the bar and take any property.

Sqd. 6LT (Lt. HOWARD) was contacted regarding this incident. I was advised to file this report.

Sqd.1721 (P.O. SCHOTT) responded to the scene. 9 photos at 8:10am were taken of the scene. There was no chance for prints to be recovered.

A canvass of the area was conducted to locate any possible witnesses. No witnesses were located. Address that were checked and people who were spoken with are as follows;

- 3228 W Scott St. - No answer
- 3230 W Scott St. - No answer
- 3232 W. Scott St.- No answer
- 3234 W Scott St. - Spoke to Valdamar GONZALEZ who stated he did not see or hear anything regarding the burglary

Any additional information would be filed in follow up reports.

This supplemental report is written by P.O. Jonathan MEJIAS-RIVERA, assigned to Dist. 6, Late Shift, Squad 6324.

On Sunday, 03-16-08, 3:00AM, I, P.O. MEJIAS-RIVERA, along with Squad 6325, P.O. Donald KRUEGER, were dispatched to 3235 A W. Scott St. regarding a battery complaint.

Upon arrival I spoke with Vickey who stated that her son, Joseph, and her husband, Manuel, got into an argument over her giving Joseph \$100 dollars. Vickey stated that Manuel became upset because she is always giving Joseph money. Vickey stated that Manuel was intoxicated and not listening to her. Vickey stated that when Manuel drinks he becomes aggressive and refuses to listen. Vickey stated that while she was standing in front of Manuel blocking him from getting to Joseph, he pushed her out of the way and began struggling with Joseph. Vickey stated that Manuel and Joseph ended up by the stairs to her residence and Manuel fell to the ground which caused a laceration on his right eye. Vickey stated that Manuel struck Joseph first. Vickey stated that Manuel and Joseph are always arguing and Manuel becomes very aggressive toward her and Joseph.

I spoke with Manuel. Manuel appeared intoxicated. Manuel stated that he argued with Joseph in the bar. Manuel stated that Joseph was arguing with three other subjects in the bar who were trying to take beer bottles outside of the bar. Manuel stated that after the argument ended the subjects left and Joseph continued arguing. Manuel stated that he began struggling with Joseph at which time Joseph intentionally and without consent struck him on the right side of the face with a closed fist causing a small laceration. Manuel stated once Joseph struck him on the face he fell to the ground and Joseph began kicking him on the head and body. Manuel stated that this problem with Joseph has been an ongoing.

I was unable to talk to Joseph because he was no longer at the scene.

I contacted the DV Hotline and spoke with Mary B. at 3:40AM.

Squad 6312, Sgt. Douglas WIOREK, responded to the scene and took a total of 5 photos at 3:50AM of Manuel's injuries.

Subject: Notice of Hearing-- Last Chance Tavern

I am unable to make an appearance on Monday 1/24 at 945a.m as I can't get off of work. I need more than a 5 day notice for this liquor license hearing to arrange my schedule, it happens every year...

I would like to put in my 'two cents' worth. As we often talked about, sitting on my front porch, did not work out, as I work all different shifts, on 2nd shift, I return to loud tavern noise. If I work 3rd shift, I can't catch a nap before work, as the tavern has loud music, and what about the children in the neighbor hood, trying to get some sleep for school with the music blaring across the street. Also, the littering of beer bottles is an ongoing issue. If the Mendez's say the it is not their patrons doing it, why are there no beer bottles to pick up if the bar is closed for the night??

Thanks for notifying me of the tavern license hearing...

Subject: Re: We're having a problem in this district regarding a tavern...

Ramona,
Thank you for letting me know about the problems at that bar (I'm assuming you're referring to The Last Chance bar).

It's great that neighbors want to take up a petition...however, petitions cannot legally shut down a bar. Every year the bar's license is up for renewal. The only things that can convince the licensing committee to deny the license are

1. A clear police record of violations. (That's why neighbors need to call the police. They can certainly call me to complain, but it is ESSENTIAL that they call the police too so it's on the record).

2. Residents need to come to testify at hearings. The Licenses Committee cannot legally consider petitions as evidence. Neighbors need to come down and tell the committee what they see and hear and experience with the bar.

I know a lot of residents are unwilling to call the police or to come to hearings. But license matters are legal proceedings similar to court hearings. There has to be clear-cut evidence that a bar is trouble.

I will certainly do everything I can but I do need help from neighbors. I will keep your complaint on file and when it comes time for their license to be renewed, (roughly mid-December), I will let neighbors know so that people can make plans to attend the hearing.

In the meantime, I cannot stress enough that the police should be called if there are problems.

I hope this has clarified the legalities of shutting down a bar. If you have additional questions, please let me know.

Bob

Located on the corner of 33rd and Scott...there have been numerous hit and runs by patrons that go to that bar...that have had so much to drink, get in a vehicle and cause damage to parked vehicles on Scott Street....if you check in with 6th district maybe you can find out the actual total. I myself, was a victim of a hit and run approximately a month ago...I have lived on Scott Street for 10 years and I've had enough...this past weekend, they got the drunk driver that hit 3-4 cars on the 3100 block on Scott Street...the residents in that neighborhood want to petition the closure of that tavern as soon as possible. Please let me know what can be done. I can be reached at (414) 283-4142 during the daytime....another resident in that neighborhood would like to get involved, her name is Linda Rodewald. Claire,
I am more than willing to come and sit on your porch. Please let me know a good night for you and what the best time would be and I'd be happy to come over.

Also, please don't advertise that I'll be doing this - I'd want to do it sort of undercover so that if there are problems, I'll see them. I don't want people being on their best behavior just because they know I'll be watching.

Thank you,
Bob

My computer was unable to open your letter to the Last Chance Tavern. As far as the police report, loud noise is a low priority to send an officer. Also I had P.O. Lopez issue a noise ticket earlier this year but was never summons to court.

The police say this is an Alderman problem and you are telling me to call the police who don't often respond. This has been going on for year. Why don't you come and sit on my porch some Friday or Saturday night and listen to the noise yourself.

Dear Ms. Mendez,

I received your recent message about the brush pile and have called it in.

Coincidentally I am forced to contact you as well regarding your bar. I am again getting complaints from people living around the bar. They are having frustrations with:

- Noisy patrons leaving the bar
- The door left open so that noise spills out into the neighborhood.

It would be a wise move on your part to insure that noise is kept to a minimum – perhaps by keeping the doors closed when neighbors are sleeping. You would also be well advised to have an employee outside the bar at closing to make sure patrons leave quietly.

Repeated complaints from neighbors may affect your ability to renew your tavern license. Please keep this in mind and take appropriate action.

Sincerely,

I am writing to complain about the noise at the Last Chance Tavern. I live across the street and have observed that the bar in question has been leaving their customer front door open to share their loud music with the neighborhood. I can't even leave my windows open. Also, last Friday, I had to get out of bed and go outside to confront some noisy bar patrons. At 2:45 a.m these 2 couples from the bar had their car music on so loud that they did not see me approach their vehicle. I asked them to turn it down as I have children sleeping in the house. The bar should provide a security person outside at closing time. Finally, Mr. Mendez, who runs the bar, on several occasions has had beer/liquor on the patio when the bar is open. This area is not licensed for alcohol use while the establishment is open. I could not come to the liquor license hearing last year, as I need more than a 3 day notice. Any questions, please email or call me,

To Alderman Donovan; Tues 4/22/08 10am

I am sending this email to say I am fed up with the loud music from the Last Chance Tavern... Friday night they were so loud, the police came twice and ticketed the bar owners. Saturday night they actually had a band playing outside the bar, and patrons were drinking on the sidewalk!! This is unacceptable for a residential neighborhood. My children go to bed and can't sleep because of the loud music, and I still have my windows sealed up from the winter. I am a veteran and all I'm asking for is peace and quiet when I come home. I don't 'crank-up' the german polka's on Sunday morning when they are trying to sleep.

Again, this year, I invite you to come and sit on my porch and listen for yourself...

Thank you for your anticipated cooperation,

Dear Vickey,

I am writing due to continued complaints I have been getting about your bar. Most recently neighbors report that the police came twice and ticketed you.

I'm also told that you had a band outside your bar playing music and that patrons were drinking on the sidewalk. I will remind you that you have no license to have live music at all nor do you have an extension of premise in order to use the outside area as part of your bar.

Neighbors can't sleep. They are tired of seeing garbage from your bar all over the neighborhood. Shape up or risk losing your license.

Sincerely,
