Honorable Robert Bauman
Alderman, 4th Aldermanic District
Room 205, City Hall

SUBJECT: 4TH ALD. DIST. - FILE #250844
INSTALL NO PARKING ANYTIME ON THE NORTH SIDE OF
WEST SAINT PAUL AVENUE FROM NORTH 12TH STREET
TO A POINT 70 FEET EAST

Dear Alderman Bauman:

This is in response to a request our office received from a citizen to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that southbound motorists exiting North 12th Street at West Saint Paul Avenue have a difficult time seeing traffic traveling westbound on West Saint Paul Avenue when vehicles park close to the intersection. Therefore, in the interest of public safety, we recommend installing the above-captioned parking restriction to increase cross traffic visibility at the intersection.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

Kevin J. Muhs, PE, AICP
City Engineer

Honorable Milele A. Coggs
Alderwoman, 6th Aldermanic District
Room 205, City Hall

SUBJECT: 6TH ALD. DIST. - FILE #250844

REMOVE NO PARKING 7:00 A.M. TO 9:00 A.M. EXCEPT SATURDAY AND
SUNDAY ON THE SOUTH SIDE OF EAST LOCUST STREET FROM
NORTH HUMBOLDT AVENUE TO NORTH HOLTON STREET

REMOVE NO PARKING ANYTIME ON THE SOUTH SIDE OF
EAST LOCUST STREET FROM NORTH HOLTON STREET TO
NORTH BOOTH STREET

REMOVE NO PARKING ANYTIME ON THE SOUTH SIDE OF
EAST LOCUST STREET FROM NORTH FRATNEY STREET TO
A POINT 60 FEET WEST

Dear Alderwoman Coggs:

In conjunction with the recent installation of traffic calming measures on East Locust Street between North Humboldt Avenue and Holton Street the above captioned parking restrictions are no longer needed and can be removed, thereby restoring additional on-street parking in this area, and still provide the necessary clearance for the flow of traffic on East Locust Street.

We will prepare the necessary legislation that will be heard at the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

Kevin J. Muhs, PE, AICP
