REMOVE NON-INTERSECTION  
CROSSWALK ON NORTH 13TH STREET  
APPROXIMATELY 220 FEET SOUTH  
OF WEST WISCONSIN AVENUE

Dear Alderman Henningsen:

As part of our on-going effort to verify traffic control sign installation with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs are no longer present in the field, since the street has been vacated for several years. We recommend that the ordinance be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

REMOVE ONE WAY STREET ON  
N. 44TH STREET FROM W. LLOYD STREET  
TO A POINT 190' NORTH

Dear Alderman Hines:

This is in response to a request we received to remove the above-captioned traffic control restriction.

Our engineering staff has investigated this request and found that converting this street from one-way to two-way would allow better traffic circulation for the new Finney Library.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,
