DESIGNATION OF BICYCLE LANE ON SOUTH CLEMENT AVENUE  
FROM EAST OKLAHOMA AVENUE TO EAST MORGAN AVENUE

Dear Alderswoman Dimitrijevic:

In conjunction with the pavement marking project on South Clement Avenue between East Oklahoma Avenue and East Morgan Avenue bicycle lanes were added to this project to promote the bicycle as both a commuting and recreational mode of transportation and to enhance bicycle safety on this roadway. The above-captioned bicycle lanes are necessary to designate the bicycle lanes on this portion of South Clement Avenue. We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

SUBJECT: 10TH ALD. DIST. - FILE #210443  
INSTALL STOP SIGN ON WEST LOCUST STREET  
AT NORTH 74TH STREET

Dear Alderman Murphy:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northeast corner of the intersection in the form of a fence and bushes that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jerrel Kruschke, P.E.
