INSTALL NO PARKING ON THE NORTH SIDE

Dear Alderman Bohl:

This is in response to a request we received from Johnstone Supply located at 9709 West Appleton Avenue to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that delivery trucks have a difficult time maneuvering through the intersection of West Appleton Avenue and West Sheridan Avenue. The installation of this restriction will make it easier to maneuver through the intersection for trucks. Therefore, we recommend the installation of this restriction.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to final passage.

Honorable Robert W. Puente
Alderman, 9th Aldermanic District
Room 205, City Hall

SUBJECT: 9th ALD. DIST. - FILE #091549
INSTALL NO PARKING ON THE EAST SIDE
OF NORTH INDUSTRIAL ROAD FROM A
POINT 1830 FEET NORTH OF WEST MILL ROAD
TO A POINT 420 FEET NORTH THEREOF

INSTALL NO PARKING ON THE WEST SIDE
OF NORTH INDUSTRIAL ROAD FROM A
POINT 2080 FEET NORTH OF WEST MILL ROAD
TO A POINT 120 FEET NORTH THEREOF

Dear Alderman Puente:

This is in response to a request we received from City of Milwaukee Sanitation Department to install the above-captioned parking restrictions.

Due to up coming changes in regards to how the City of Milwaukee Sanitation Department receives material at their self-help stations traffic congestion is expected on North Industrial Road at the entrance/exit to the self-help yard. The installation of these restrictions will make it easier for through traffic to maneuver through this section of roadway. Therefore, we recommend the installation of these restrictions.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to final passage.
