Dear Alderman Zielinski:

This is in response to a request we received from your office to provide additional on-street parking in this area.

Our Traffic Engineering staff has investigated this request and found that additional parking could be restored in this area and still allow traffic flow by repealing the above-captioned parking restriction.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,
