Re: MANN, Jatinder K, Agent for "MANN FAMILY, LLC", Class A Fermented Malt and Food Dealer Licenses Renewal Application for "PALMER CENTER FOODS" at 200 E CENTER St. (Expires 5/12/2026)

This supplemental information should be incorporated into my client's most recent Plan of Operation and shall amend the current renewal application.

### **Mitigation Management Plan:**

We are in the process of scheduling a meeting at the premises with the MPD Community Liaison Officer to discuss ways that we can mitigate and address issues on the premises.

We have 16 cameras. 4 cameras outside and 12 cameras inside.

We have 9 powerful outdoor lights that are positioned for maximum security without causing a disturbance for the neighbors.

Per the suggestions of the MPD we will, if need be, install additional light fixtures designed to minimize the impact on the neighborhood while providing adequate lighting levels to assure security and discourage loitering.

We will give MPD remote access (FUSUS) to our camera system.

We will train our staff so that they know how to deal with various issues that arise. This includes but is not limited directly calling MPD when problems arise and not worrying about the PA-33's that will be generated. One strike policy for staff. If they do not follow our training protocol they will be fired.

We will obtain an ID Scanner.

We will maintain a working relationship with the MPD Community Liaison Officer and continue our relationship with Alderman Coggs's office to effectively control loitering, noise, litter and crime.
