

# Chris Hau, Associate AIA

## **Intern Architect**

Joined Quorum Architects in 1996  
Became Principal in 2006

3112 W. Highland Blvd.  
Milwaukee, WI 53208

## **Education**

Bachelor of Architecture: University of Wisconsin-Milwaukee, 1998  
Urban Planning Minor: University of Wisconsin-Milwaukee, 1998  
Art History Minor: University of Wisconsin-Milwaukee, 1998

## **Specialized Education**

While at the University of Wisconsin Milwaukee's School of Architecture and Urban Planning Chris concentrated his studies on construction documents technologies and 3D computer generated drawings.

## **Experience**

While at Quorum Architects, Inc. Chris has been involved in many aspects of each project. These include: existing conditions documentation, space planning, project design, construction documents, and client contact. Because of his thorough understanding of the design process, Chris is able to create design solutions within strict budgets and schedule. His attention to detail assists in effectively and efficiently managing multiple projects.

Chris has extensive experience in CAD drafting including AutoCad versions 2004 and 2006 which he utilizes in the production of existing conditions plans, space plans, and detailed construction documents. Upfront as well as training other personnel in the usage of CAD systems and specialized programming techniques. Chris coordinates Quorum Architect's computer system and is conversant with the Microsoft Office Suite and the Adobe Creative Suite.

Chris' project experience includes, tenant improvements for corporate offices (law firms, professional services companies, government agencies), office buildings, office condo buildings, adaptive reuse buildings including historic preservation projects.
