To the Public Works Committee

Subject: Common Council Resolution File Number 140652

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 140652, being a resolution to grant a special privilege to Hussein Govani to construct and maintain an exhaust fan duct and sign in the public right-of-way for the premises 2437 West National Avenue.

The applicant, whose business does auto body repair and paint work, is requesting permission to construct and maintain an exhaust fan duct in the east, 15-foot wide sidewalk area of South 25th Street. Said 32-inch diameter duct is located atop a 6-inch tall rectangular concrete platform. A site visit revealed the presence of a pylon sign in the public way of South 25th Street. It should be noted that both items are located behind the paved public sidewalk and do not interfere with pedestrian traffic.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Ghassan Korban
Commissioner of Public Works

Art Dahlberg
Commissioner
Department of Neighborhood Services
