Milwaukee, Wisconsin**

October 8, 2025

PLEASE NOTE: This hearing relates to the property within the boundary shown on the map on the reverse side of this notice. If your property is not within the zoning boundary, then you are receiving this notice because your property address is within 200 feet of the subject site.

PERSON OF INTEREST:

The Common Council has referred File No. 250934 to the City Plan Commission (CPC) for recommendation. This file relates to the First Amendment to the Detailed Planned Development (DPD) known as St. Luke's Medical Center, Phase 1 to allow the expansion of an existing parking lot at 2700 West Oklahoma Avenue onto the site at 3025 South 27th Street, located on the west side of South 27th Street, north of West Oklahoma Avenue, in the 8th Aldermanic District.

The Parkway Building located at 3025 S. 27th Street was constructed in 1987 and is no longer needed by St. Luke's Medical Center, as the design and layout of the building no longer meet the current operational needs. St. Luke's Medical Center plans to raze the building and expand the existing surface parking lot south of it, located on a portion of 2700 W. Oklahoma Avenue, onto the subject site. Significant landscaping will be added to the east, west and north sides of the expanded parking lot. Access to the parking lot via the internal roadways will remain unchanged. **Please refer to the reverse side of this notice for map details.**
