Project/Program Title: HS ALERT SWAT Video Meshing Equipment 2020

Grantor Agency: Wisconsin Emergency Management (WEM) Homeland Security

Grant Application Date: October 30, 2020

Anticipated Award Date: November 5, 2020

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):
WEM will provide grant funds for AgileMesh equipment that will increase the City of Milwaukee Police Department's ability to provide a tactical response in their area of responsibility for Aligned Law Enforcement Response Team (ALERT). The technology allows video to be transmitted from strategically placed remote cameras to be monitored in real-time by personnel overseeing critical incidents. More specifically, this grant will support the Special Weapons and Tactics (SWAT) team by funding audio and video equipment to enhance the capabilities and safe responses for regional SWAT teams in their ALERT initiatives as the equipment increases intelligence for personnel and which allows for increased safety and security of Law Enforcement personnel and citizens during a critical incident.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:
The AgileMesh audio and video equipment will further the capabilities of the Milwaukee Police Department, as well as other jurisdictions we assist, to provide a platform for officers to mitigate threats to personnel and citizens along with providing the Special Weapons and Tactics (SWAT) team enhanced capability to safely respond to critical incidents.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):
