To the Public Improvements Committee

Subject: Common Council Resolution File Number 041147

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 041147, being a petition from Carlin Sales Corporation for a special privilege to keep and maintain four concrete filled bollards into the public right-of-way of North Granville Woods Road for the building at 8170 North Granville Woods Road.

The applicant, a tenant, is requesting permission to keep and maintain four concrete-filled bollards adjacent to the two driveways on North Granville Woods Road in order to prevent delivery trucks from rutting the grass area. Said bollards are 6 inches in diameter and 4 feet tall. They are located in the 16-foot wide, unpaved sidewalk area centered approximately 8 feet west of the eastline of North Granville Woods Road and 665, 700, 1262 and 1302 feet north of the northline of West Bradley Road. Permission for the bollards can only be granted to the property owner and, thus, the attached special privilege is granted to the owner, who is Granville Woods Joint Venture LLC.

We are not aware that the presence of said bollards has had an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said bollards to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works

Martin G. Collins
Commissioner
Department of Neighborhood Services
