Chief Information Officer

November 21, 2007

Honorable Common Council
City of Milwaukee
City Hall, Room 205

To the Honorable Members of the Common Council:

The Information & Technology Management Division of the Department of Administration is submitting a resolution for Common Council approval (Common Council File Number 071086) that would extend the agreement between the City and the Steering Committee of the Milwaukee County Automated Land Information Systems (MCAMLIS).

This agreement, initially approved by the Common Council on March 23, 2006 (Common Council File Number 051467) and extended on January 17, 2007 (Common Council File Number 061117), obligates ITMD, as representative for the City, to maintain and update cadastral maps and map data in a format consistent with that used by MCAMLIS. ITMD will subsequently provide this information to MCAMLIS on a regular basis.

To fulfill this responsibility, ITMD will continue to require authority for one position, to be funded entirely from revenues received from MCAMLIS for this purpose. The necessary changes to the Positions Ordinance are incorporated into the file.

ITMD anticipates that the MCAMLIS Steering Committee will approve the extension at their scheduled meeting on December 18, 2007.

Thank you for your consideration.

Sincerely,

Gary Langhoff
Policy and Administration Manager
DOA-ITMD
