Please rescind my approval of the extension of premises for Benelux until we sort this out.

MHD: what are we doing about this?

DPW: please hold the Broadway plan until this is investigated.

If this is true, we need to enter complaints in licensing files and perhaps seek revocations.

**Subject:** Third Ward Restaurant Covid Cases

Hello Alderman Bauman,

I am writing to bring to your attention the blatant disregard for public health by multiple

businesses in Milwaukee.

This is all direct information from employees of these businesses who can confirm.

St. Paul Fish Company in the Milwaukee Public Market, Cafe Benelux, and the Wicked Hop downtown all have confirmed COVID-19 cases but have failed to notify their customers or employees Or shut down to stop community spread.

This is a blatant disregard for public health and a violation of every guidance given by the CDC, Tom Barrett and yourself.

Restaurants and bars are not being transparent about what is going on!!! This leaves the public unknowingly at risk!!! People are literally relying on word of mouth via social media posts to find out which restaurants have covid outbreaks. Businesses even deleted comments from concerned customers and employees regarding the issue!!

Who can we turn to?! We can't trust the business owners, can we trust you!?

Order these businesses to shut down to test all their employees: Milwaukee Public Market, St. Paul Fish Co, Cafe Benelux and Wicked Hop.

Thank you,

**angel\_in\_training\_ Please close the market immediately you are refusing to publicly announce that 4 of your employees have tested positive for covid. You are putting the public, your workers, and their families at risk while remaining open and are obviously prioritizing profits over your staff. CLOSE NOW. You are not monitoring the public wearing masks, social distancing, and capacity you should be ashamed. When a worker at On The Bus tested positive they closed until all other staff was cleared why is St. Paul's being treated any different? Because they bring in the biggest profits? This decision should not be left up to the individual vendors this is the responsibility of the public market upper management. MAKE A PUBLIC STATEMENT NOW.**

**peachyquehn If you continue to stay open (witch I don't think you should), please actually monitor and limit the occupancy of people in the market. Oh and also require everyone to wear masks too. Feeling unsafe and exposed!!!**
