Subject: Dover St. apartments

Hello,  
My name is Ellen Serdyski. I live at 2620 S Howell Ave. I am completely against building these apartments on the Dover St. school site. I feel it would be an ugly addition to the neighborhood. Also it definitely would affect the parking issue which is already bad. My husband and I have lived here for almost 50 years and feel this school could be put to a better use.

Sincerely,  
Mr. & Mrs Gerald Serdyski
