REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN THE
1ST ALDERMANIC DISTRICT

Dear Alderman Pratt:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North 16th Street from West Capitol Drive to West Olive Street – Two Hour Parking
2. North 19th Street from West Olive Street to a point south – No Parking
3. North 27th Street from West Roosevelt Drive to a point south – Two Hour Parking

INSTALL NO PARKING ON THE
NORTH SIDE OF WEST MICHIGAN STREET
FROM NORTH 35TH STREET TO A POINT 35 FEET EAST

Dear Alderman Henningsen:

This is in response to a request we received from our Traffic Signal Shop to install the above-captioned parking restriction.

Our Traffic Engineering staff has investigated this request and found that when vehicles park in this area, the loop detectors are actuated, thus causing the operation of the traffic signal to malfunction. Since the removal of this parking space will eliminate the problem, we recommend the installation of the No Parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Dear Alderwoman Breier:

This is in response to a request we received from Mr. James Novak, Principal of Riley Elementary School, to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that the installation of the above-captioned parking restrictions will allow trucks to maneuver the turn at the corner of South Chase Avenue and South 4th Street, and also discourage parents from parking in this school buses pick-up/drop-off area.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
