Dear Chief Jones:

**Re: Amendment to Intergovernmental  
Cooperation Agreement with  
Muskego for Live Fire Facility**

We have reviewed the Amendment to the Intergovernmental Cooperation Agreement with the City of Muskego which you forwarded under cover of your March 23, 2001 letter. That amendment incorporates the changes which we had forwarded to Commander Collins. Therefore, assuming that the amendment now meets with your approval, a file may be introduced into the Common Council to authorize the amendment's execution.

We are enclosing hereunder a resolution approving the amendment and by cover of this letter, forwarding a copy of that resolution to Mr. Zielinski in the City Clerk's Office. We are also forwarding hereunder a copy of the amendment to Mr. Zielinski for inclusion in the Common Council file. In order to complete the Council file, a fiscal note will be required, and we request that Commander Collins prepare such a fiscal note and forward it to Mr. Zielinski for inclusion in the file.

Finally, we will retain the three partially executed original versions of the amendment in our file and, assuming Common Council and mayoral approval of the resolution authorizing the amendment's execution, we will secure the execution of all City officers on the amendment.

Chief Arthur L. Jones
