Subject: *A resolution executing a Basic Life Support Medical Control agreement with Milwaukee County.*

Dear Honorable Members:

I am submitting the following resolution for introduction at the January 11, 2005 Common Council meeting. The resolution would execute a Memorandum of Understanding (MOU) between the City of Milwaukee and Milwaukee County regarding medical control of Basic Life Support (BLS) services. The MOU is for a one-year period (January 1 – December 31, 2005).

This MOU will establish a coordinated, uniform delivery system for the provision of Emergency Medical Services to individuals within the county including the provision of medical control and establishing the roles and responsibilities of each party in provision of BLS services.

Attached are the required resolution and one copy of the original Memorandum of Understanding needed to complete this legislation.

If you have any further questions regarding this matter, please contact either myself or Deputy Chief Gloria Murawsky at extension 8982.

Respectfully submitted,

WILIAM WENTLANDT  
Chief
