RE: Community Outreach Liaison position

Dear Council Members:

We are requesting a resolution be introduced to amend the Positions and Salary Ordinance to include a new position of Community Outreach Liaison for the Neighborhood Improvement Development Corporation (NIDC).

Consistent with our Housing Strategy for the City, we find ourselves more than ever coordinating our efforts to maximize limited resources. To achieve this, we need to build strong relationships with our neighborhood partners so that community members are aware of programs available to them. The creation of this position will meet this important need.

The position is to be funded through Community Development Block Grant monies that are freed up, due to receipt of the LEAP grant for this year. This position will be filled as soon as practical to assist NIDC staff during their busy summer months.

Thank you for your consideration.

Sincerely,

Martha L. Brown
Deputy Commissioner
