Good afternoon,

If it pleases the Zoning, Neighborhoods and Development Committee, on the behalf of NEWaukee, please accept this letter of support for the 1550 N. Prospect Avenue development, which is up for review Tuesday, July 19th in agenda item #15.

We support the proposed mixed use housing development as well as the restoration of Milwaukee's historic Goll Mansion. We believe the densification of our neighborhoods through private development of this sort is of benefit to the larger community ecosystem.

If there are further questions, please do not hesitate to reach out.

Cheers,

Angela Damiani
