Subject: Administrative Correction for Salary Ordinance

Importance: High

The Finance Committee approved file #061302 at the February 22, 2007 meeting which included a Job Evaluation report for DPW-Water. This was a reorganization of management positions in the Water Distribution Division with title and salary changes. The report inadvertently removed an underfilled title that is used for the employees who have not met the requirements. Please amend the Salary Ordinance to read as follows:

In the Salary Ordinance, under Salary Grade 04, add the title "Water Distribution Supervisor I 5/."
