RONALD D. STARDT
CITY CLERK

I'm writing this letter to let you know that I'm appealing your decision. The find that you gave me is unacceptable. To my knowledge a large garbage truck can back into a car bumper pushing the bumper in without leaving paint. The truck didn't side swize the car. I also can understand the driver denial for the simple fact of being reprimanded or fired for his action of not reporting it.

There was a garbage truck picking up throw away trash next door, picking up trash that was thrown out side from inside the house next door at 3129 N. 40th. There were four people on the truck at the time, and instead of them getting out the truck, and picking up the throw away stuff they decided to back the truck into the drive way, and while doing that they backed into the left side of my back bumper, and damaged it. I'm asking for \$620.21.
