RE: Nomination of Brian Litzsey  
Emerging Youth Achievement Advisory Council

Honorable Chairman and CED members:

Good Afternoon,

I write you today in support of Mr. Litzsey joining the Emerging Youth Achievement Advisory Council (EYAAC) as the Milwaukee Public School representative (MPS). This role is a critical one for this body, because almost everything we discuss is related to the population MPS serves. Whether education, work force development, creating and using data more effectively or public safety, health and welfare, the MPS role on this body is central to us putting forth impactful policy. Mr. Litzsey has a strong resume, centered on community services and recreation, and I'm sure he'll add value to or body. With that, I ask for support of this nominee.

Respectfully,

José G. Pérez,  
Alderman, 12th District
