SIGNING OF RESOLUTION ESTABLISHING SISTER-CITY RELATIONSHIP
BETWEEN THE CITY OF MILWAUKEE AND TEMA, GHANA.

I extend compliments from the Tema Metropolitan Assembly and wish to formally communicate the Mayor's willingness to schedule a visit to Milwaukee for the much-anticipated signing of the Resolution establishing a Sister - City Partnership between the City of Milwaukee and Tema Metropolis.

Tema Mayor, Hon. Yohane Amarh Ashitey assumed office in October 2021, and have since been briefed on bilateral talks on-going between both cities, which has culminated in the up-coming historic visit for the signing ceremony.

Mayor Ashitey, has indicated that he would be grateful if arrangements could be made for his planned visit to take place between 5th-12th December 2022.

Tema Metropolis is the Nation's Port City and home to over four hundred (400) Industries. As a sequel, Mayor Ashitey shall be accompanied on his visit by a delegation, selected from key Institutions including City Council Officials, Port Authority, Tema Development Company, Industry and the Business Community.

Upon your receipt and acceptance of our proposed dates for the visit, we shall then furnish you with details of our delegation for VISA processes to commence in earnest.

Thank you in anticipation.
