Rainey I really hope me & the neighborhood can depend on u finally to revoke golddiggers licenses because it's going to always be a problem for our neighborhood the loitering, music all time of the night until early morning hours, the fireworks jeopardizing our property, jeopardizing our safety with guns shots when his bar is open every night & all the suspicious activities upstairs Michael is definitely dealing with a lot of criminals & our neighborhood don't need it around us & he is definitely never going to get professional security to keep his customers from loitering & if not I am going to take a loan towards my home to pay the lawyer & I will be including others besides Michael because I been asking u guys to help me & our neighborhood for years & u guys haven't done anything but suspend there licenses & he still stayed open for business so I hope this ends for good this year without a lawsuit !!
