To the Honorable, the Common Council

Subject: Lake Parkway (STH 794) Maintenance Agreement

Dear Council Members:

The Wisconsin Department of Transportation (WISDOT) has recently completed the construction of the Lake Parkway (STH 794) which connects the south end of the Hoan Bridge to East Layton Avenue. Portions of the Lake Parkway are located within the City of Milwaukee. City and WISDOT staffs have drafted a Maintenance Agreement which addresses ownership, operation, and maintenance of the portions of the Lake Parkway within the City of Milwaukee. The attached resolution authorizes the Commissioner of Public Works to execute the Maintenance Agreement with the WISDOT which will formalize the various responsibilities associated with this facility.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano A. Schifalacqua
Commissioner of Public Works
