Subject: Recommendation for Karin Tyler

Dear Members of Milwaukee's Common Council:

I am writing to express my support of Karin Tyler to be named the Director of the City of Milwaukee Department of Community Wellness and Safety.

UNCOM and DCWS have partnered together since 2023 in violence reduction work. I have worked with Ms. Tyler while she has served the department in different capacities. Together we have developed ways to engage Milwaukee's youth in finding them safe spaces and trusted adults. We have worked with Milwaukee's disconnected youth and assisted them in finding a path to employment.

Ms. Tyler leads with purpose and strength using the knowledge she has gained through her professional and lived experiences. She is as comfortable on the streets with the people she is serving as at a table with the City's leaders and largest donors. Ms. Tyler is a convener, strategist, a strong advocate, and trusted leader. That is what makes her unique.

I encourage you to join me in supporting Karin Tyler as the permanent Director of the Department of Community Wellness and Safety. The success of this department is crucial for the well-being of our community.

Thank you.

Renée
