City of Milwaukee 2008 Benefit Contracts

Dear Alderman Murphy:

Please open four new files at the Common Council meeting on May 8 for action by the Finance and Personnel Committee at the June 13, 2007 meeting.

The City of Milwaukee Department of Employee Relations is currently completing a Request for Proposal process for health maintenance organization (HMO) services for 2008 and will complete that file before the meeting.

The department is also making a determination if a request for proposal process is needed for dental services, long term disability services and flexible spending services. If an extension of the current contract is appropriate for these services this will be included in the file. If a request for proposal is appropriate this will be done and a recommendation will be made before the file is considered by the Finance and Personnel committee.

Sincerely,

Michael Brady
