There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

This report is written by Police Officer Donald Krenzien, assigned District One, Late Power Shift.

On the evening of Thursday, February 26, 2015 through the morning of Friday, February 27, 2015 District One personnel performed an underage tavern enforcement initiative. The officer's who participated in the operation were Police Officer Christopher Martin, assigned to District One, Police Officer Dorian Andress assigned to District 3, and myself. For the underage persons in this initiative we used one MPD police aide who works in the Police Administration Building. Police Aid Teresa Westfahl assigned to the Police Academy. Westfahl was confirmed to be underage by her Wisconsin identification card (2/17/1996)

Prior to attempting any checks of licensed class B tavern establishments the police aide and plain clothed police officer were given instructions. Westfahl and Andress were told that they were not allowed to consume any intoxicating beverages. They could not lie if asked if they were underage, or show any form of documentation, which could be construed as identification. It was explained that they had to order an alcoholic beverage, directly from a bartender behind a bar, then meet the plainclothes officer observing them with the alcoholic beverage for a photo in the tavern and then leave together. It was explained that at all times the plainclothes officer shadowing them would be in visual sight and observe the financial transaction for alcoholic beverages.

After this briefing Martin and I escorted P.O. Andress who was in plainclothes and P.A. Westfahl to multiple taverns located throughout the District One boundaries.

Westfahl and Andress attempted to gained entry to the class "B" licensed tavern, Rosie's located at 1111 N Water St. Westfahl and Andress was challenged at the point of entry and turned away when Westfahl couldn't prove she was of age.

I notified Jackie Peterson that they passed.

This report is written by Police Officer Mariolys Flores, assigned to District One, Late Power Shift.

On the evening of Friday, August 7, 2015 through the morning of Saturday, August 8, 2015 District One personnel performed an underage tavern enforcement initiative. There were three teams that were part of this initiative. Each team had an MPD Police Aide, a Police Officer, both of which were acting in a plainclothes capacity with a uniformed Police Officer or Sergeant monitoring from a short distance. The Police Aide for each team was under the age of 21. This was verified by their respective Wisconsin driver's license. Police Aide Laura Nirode (PS 024687, DOB 06/15/95), Police Aide Elizabeth Sauer (PS 024693, DOB 08/11/1994), PA Chelsey McDowell (PS 024685, DOB 08/16/94), PO Karlee Kennon (PS 021519), PO Dorian Andress (PS 019758) and PO Kira Williams (PS 019786) were in plainclothes while PO Mariolys Flores (PS 024325), PO Zachary Johnson (PS 022614) and Sergeant Thomas Ackley (PS 018520) were in full uniform.

Prior to attempting any checks of licensed establishments the Police Aides and Police Officers were given instructions. All plainclothes members of this initiative were advised they are not allowed to consume any intoxicating beverages. If asked about their age, the members were told to tell the truth. The Police Officers were directed to produce ID's, but the underage Police Aides were directed to not produce any form of identification. It was explained that the Police Aide was to order an alcoholic beverage. It was explained that at all times the plainclothes Police Officer should be in visual sight and observe the financial transaction for alcoholic beverages. All plainclothes members of this initiative submitted a sample of their breath to a PBT test before and after the initiative. All members registered 0.0% BAC.

After the briefing, the teams conducted underage checks at multiple taverns and convenient stores located throughout the District One boundaries.

Police Officer Karlee Kennon, Police Aide Chelsey McDowell attempted to gain entry to the class "B" licensed tavern, Rosie's Waterworks located at 1111 N. Water St. Police Aide McDowell was challenged at the point of entry and turned away when she couldn't provide identification.

On Wednesday, August 19, 2015 at 12:37 a.m., I, Police Officer Mariolys Flores informed Brian Ticar, shift manager that they passed. While at the tavern, I asked Ticar if they had an ID scanner, at which time Ticar replied that they did not.

**PA-33E Narrative**

This report is written by P.O. Robert FERRELL, District One, Power Shift. On Friday 08/16/2015, at 00:28 I observed the Licensee of Rosie's Water Works (1111 N Water St) operating a mobile food cart from his private property.

I advised him that this was technically still against City Ordinance but no police action would be taken pending the outcome of his open case for same violation in Municipal Court. Sq 1411 (Sgt Thomas ACKLEY) was advised of the violation prior to my leaving the property.

PA-33E Narrative

This report is submitted by P.O. BOGUST assigned to District One, Power Shift, squad 1460. On 02/18/16 at approximately 7:18 PM the Dept of Revenue and myself conducted an inspection on Rosies Bar located at 1111 N Water St. When I entered the bar it was open with about ten patrons inside drinking. I observed one bartender behind the bar actively attending as a Bar Tender. I identified the subject by Wisconsin Drivers License as Matthew S BLUME (w/m 03/05/81) when asked for his Bartender License BLUME informed me that he didn't have one.

BLUME was working in the establishment alone at this time with no supervision from any other employee or licensee. The bar was temporarily closed until the licensee arrived on scene, James P PACK (w/m 08/12/68).

The bar was given a full inspection by The Dept of Revenue with the following discrepancies, no licensed operator, 13 bottles of contaminated liquor (fruit flies in bottles), no invoices available for inspection as required by law for past two year of operation, three illegal video gaming machines (gambling) and proof of liquor refilling (large Patron bottles used to fill smaller bottles).

PACK was given a copy of the field report and explained all discrepancies noted on the form. I cited BLUME for no having a class D bartending license, and PACK for having his tavern open and operating for the sale of alcoholic beverages without a responsible licensed person on premises

COMMITTEE MEETING NOTICE

AD 04

SINGH, Jaswinder, Agent  
Golden Mid Town Foods, Inc  
N54 W16569 Ravenwood DR

Menomonee Falls, WI 53051

You are requested to attend a hearing which is to be held in Room 301-B, Third Floor, City Hall on:

**Tuesday, September 06, 2016 at 10:45 AM**

**Regarding:** Your Class A Malt License Transfer - Change of Location and Food Dealer and Weights & Measures License Applications as agent or "Golden Mid Town Foods, Inc" for "Golden Mid Town Foods" at 2729 W VLIET St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence. Possible denial because: This proposed location is in an area that has previously been found by the Common Council to be over concentrated with alcohol outlets. Attached is the concentration of alcohol beverage outlets in the area map existing at the time of the determination of the over concentration based on an address of 966 N. 27th Street. The Licenses Committee will consider concentration of alcohol beverage outlets as one question regarding the suitability of this location to be licensed as an alcohol beverage establishment. You may present evidence supporting your application. One issue that evidence should address is whether the licensure of this location is appropriate in light of the concentration of alcohol beverage outlets.

**Notice for applicants with warrants or unpaid fines:**

**Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.**

Failure to appear at this meeting may result in the denial of your license. Individual applicants must appear only in person or by an attorney. Corporate or Limited Liability applicants must appear only by the agent designated on the application or by an attorney. Partnership applicants must appear by a partner listed on the application or by an attorney. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing.

You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you have difficulty with the English language, you should bring an interpreter with you, at your expense, so that you can answer questions and participate in your hearing.

You may examine the application file at this office during regular business hours prior to the hearing date. Inquiries regarding this matter may be directed to the person whose signature appears below.
