INSTALL NO PARKING ON THE
EAST SIDE OF OLD WORLD THIRD STREET
FROM WEST MCKINLEY AVENUE TO A
POINT 50' SOUTH

Dear Alderwoman Johnson-Odom:

This is in response to a request we received from Time Warner Cable to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that motorists exiting Time Warner's parking lot have a difficult time seeing traffic traveling northbound on Old World Third Street when vehicles park close to their driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase westbound motorists' visibility of northbound traffic.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

TO A POINT 180' EAST

Dear Alderwoman Johnson-Odom:

This is in response to a request we received from Mr. John Wood of Schlitz Park to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that motorists exiting Schlitz Park's parking lot have a difficult time seeing traffic traveling eastbound on West Pleasant Street when vehicles park close to their driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase northbound motorists' visibility of eastbound traffic.

REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN THE
7TH ALDERMANIC DISTRICT

Dear Alderman Gordon:

As part of on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North Teutonia Avenue from West Hopkins Street to West Albany Place – One Hour Parking
2. North 20th Street from West Hopkins Street to West Auer Avenue – No Parking
3. North 28th Street from West Nash Street to West Vienna Avenue – Two Hour Parking

INSTALL NO PARKING DECEMBER 1 TO
MARCH 1 ON THE SOUTH SIDE OF WEST
HOLT AVENUE, FROM SOUTH 92ND STREET
EAST TO THE ALLEY

Dear Alderman Dudzik:

This is in response to your request on behalf of Mr. Tom Hainer to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found when vehicles park on both sides of this street during the winter months a snowplow can only plow down the center of the street. This condition can become life threatening by making it difficult for life saving equipment to travel the narrowed roadway resulting in considerable delay for the emergency response. Since West Holt Avenue is the only access to the subdivision from the west, we recommend the installation of this parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
