SUBJECT: 1<sup>ST</sup> ALDERMANIC DISTRICT – FILE #031429  
INSTALL NO PARKING ON THE WEST SIDE  
OF NORTH 24<sup>TH</sup> STREET FROM WEST ROHR AVENUE  
TO WEST LAWN AVENUE

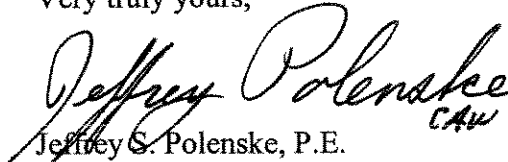

Dear Alderman Pratt:

This is in response to a request we received from Mr. Bruce James, President, St. Michael's Hospital, to install the above-captioned parking restriction.

Our Traffic engineering staff has investigated this request and found that the installation of this restriction would allow access to the hospital's loading dock without disrupting the neighbors. We therefore recommend the installation of this no parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

FROM SOUTH 10TH STREET TO  
A POINT 80 FEET EAST

Dear Alderman Sanchez:

This is in response to your request for our staff to investigate the possibility of installing additional traffic control at the intersection of West Lincoln Avenue and South 10th Street.

Our Traffic Engineering staff has investigated this request and found southbound motorists on South 10th Street have a difficult time seeing traffic traveling westbound on West Lincoln Avenue when vehicles are parked close to the corner. Therefore, in the interest of public safety, we recommend installing this restriction to increase southbound motorists' visibility of westbound traffic.
