Subject: Sherman park community NO Data centers

Some people who received this message don't often get email from heybartzie88@gmail.com. [Learn why this is important](#)

Hi

I live in Milwaukee county.

I have been following this trend in ai data centers being built throughout our country. These will destroy our country if they keep being built.

And now there's a proposal to be built in the Sherman Park community.

These centers pollute our environment, are unsafe for people, animals and wildlife. They drain our resources and are not worth the cost.

Please vote NO on a date center!

Sincerely a person who wants quality of life for all.

Stephanie Bartz
Milwaukee, WI.
