ON THE EAST SIDE OF NORTH 47TH STREET

TO WEST MEINECKE AVENUE

Dear Alderman Hines:

This is in response to your request to remove the above-captioned parking restriction.

Our Traffic Engineering staff has investigated this request and found that these restrictions are no longer needed, and that since a survey indicated that a majority of the residents are in favor of the removal of the restriction, we have no objection to its removal.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Honorable Michael S. D'Amato
Alderman, 3rd Aldermanic District
Room 205, City Hall

SUBJECT: 3RD ALDERMANIC DISTRICT – FILE #051454
REMOVE NO PARKING AND ONE-HOUR PARKING
ON NORTH BOOTH STREET FROM
EAST NASH STREET TO EAST VIENNA AVENUE

Dear Alderman D'Amato:

The no parking restriction on the west side of North Booth Street, from a point 300 feet south of East Vienna Avenue to East Nash Street, was in place to allow trucks to maneuver to loading docks. Since the loading docks have now been removed, this restriction can now be removed to provide additional on-street parking in this area.

In regards to the one-hour parking restriction, we previously covered the restriction on the west side of North Booth Street south of East Vienna Avenue on a trial basis. This trial has been in effect for a substantial time period and we have not received any complaints. Therefore, we recommend a permanent removal.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Willie C. Wade
Alderman, 7th Aldermanic District
Room 205, City Hall

SUBJECT: 7TH ALDERMANIC DISTRICT FILE #051454
INSTALL NO PARKING ON THE NORTH SIDE OF
WEST BURLEIGH STREET FROM NORTH 40TH STREET
TO A POINT 40 FEET EAST

Dear Alderman Wade:

This is in response to your request to install the above-captioned parking restriction.

Our Traffic Engineering staff has investigated this request and found southbound motorists on North 40th Street have a difficult time seeing traffic traveling westbound on West Burleigh Street when vehicles park close to the corner. Therefore, in the interest of public safety, we recommend installing this restriction to increase sight visibility at the intersection.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
