City of Milwaukee

Dear Mr. Leonhardt:

Please prepare and publish a Class I Notice for a public hearing to be conducted by the Zoning, Neighborhoods and Development Committee on July 20, 2010. The subject of the public hearing will be the Downtown Area Comprehensive Plan Update. Since State Law requires a 30-day published notice prior to the committee hearing, publishing is required on or before June 18, 2010. The Plan will be available for viewing at the Department of City Development on July 13, 2010. Upon completion, please provide Robert Harris, Department of City Development, with two copies of proof of publication.

Sincerely,

Vanessa Koster
