Dan, the ownership group of 223 W. Pittsburgh is fully supportive of changing the street's name to Freshwater Way.

Thanks,

Mike – I talked with my Mom last night and she has no issues with changing the Street name to Freshwater Way. Feel free to let the City know that we are in agreement. This is all very exciting activity for this area of Milwaukee!

Hi guys,

I have no problem with the renaming of Pittsburgh Ave to Freshwater Way either.

I do remember the article in the newspaper somewhat recently announcing the contest to rename that street and later on the name that was selected.
