**Subject:** L&E review for PSH ordinance modification (file 250636)

This file [File No. 250636] is **legal and enforceable**.

The file replaces the existing boundary map ([here](#)) with a new extended 2025 boundary map ([here](#)) for the parking and operation of food peddler vehicles (as previously expressed in CCFN 220413).

The boundary map is referenced in the ordinance and sets the time-limited zone where food peddlers may legally operate.

Respectfully,

Travis J. Gresham  
Assistant City Attorney
