To the Public Works Committee

Subject: Common Council Resolution File Number 081604

Dear Honorable Members:

Returned herewith is the Common Council Resolution File Number 081604, granting a special privilege to United Community Center Inc to construct and maintain an underground conduit between the premises at 604 West Scott Street and at 611 West Washington Street.

The applicant is requesting permission to construct and maintain an underground communications conduit package in the west sidewalk area of South 6<sup>th</sup> Street. The conduit package consists of two 1½ - inch diameter conduits buried 18 inches below grade. The conduit package, which runs parallel and 2 feet east of the westline of South 6<sup>th</sup> Street, commences at a point approximately 16 feet north of the northline of West Scott Street and extends 120 feet to the north.

We are not aware that the presence of said underground conduit package will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said underground conduit package to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works

Art Dahlberg, Commissioner  
Department of Neighborhood Services
