

Dear Grant Langley

This is extremely unfair -
I was not home at the
time - the line was damaged
as I showed in my last letter -
there was no called plead
from my phone -

This is a hardship for me
as I am currently
unemployed.

I wish to appeal this
decision - Yours truly

Ingrid Johanna Sosa

To whom it may concern,

On October 19, 2005 I returned home to find my side door broken down.
The area had been experiencing a telephone outage for a few days. I have submitted
proof of the major cable outage.

Question...why would the police not check this first? My understanding is that they try
three times. Then send a police car to check it out. I was out shopping and one could
plainly see that my car was not in my garage.

The result in damages is as follows:

Door	147.00	Tax	8.23=	155.23
Lock	25.87	Tax	1.45=	27.32
Paint	10.98	Tax	.55=	11.53
Labor	219.00			219.00
Total				413.08

Thank you for your attention to this matter.

Yours truly

Ingrid Johansson
