

LRB - FISCAL SECTION ANALYSIS

JANUARY 16, 2002

ITEM 22, FILE 011216

FINANCE & PERSONNEL COMMITTEE

JAMES CARROLL

Resolution relating to the issuance and sale of general obligation bonds in the amount of \$14,500,000 for a project undertaken for a public purpose, to-wit: for paying project costs in accordance with project plans for Tax Incremental Districts (TID) and providing financial assistance to urban renewal projects authorized under s. 66.045.

Background and Discussion

1. The Comptroller's Office annually submits initial-borrowing resolutions for projects and programs approved in the adopted budget.
2. The resolution authorizes the sale of general obligation bonds in the amount of \$14.5 million for Tax Incremental District purposes.
3. The TID borrowing authority included in the adopted budget does not detail a specific district level.

Fiscal Impact

Until the actual structuring of the debt issue is determined by the Public Debt Commission, details relating to the long-term fiscal impact will not be known. Depending on actual sale date in 2002, a maximum of 6 months interest would be incurred during the year. If sold after July 1, 2002, there would be no fiscal impact in 2002.
