Dear Honorable Members:

On February 27, 2008, the Committee on Air and Subterranean Space Lease Structures met to discuss Common Council File Number 071459 – An ordinance to grant an airspace lease to Bostco, LLC for an existing pedestrian bridge over a portion of North 4th Street between West Wisconsin Avenue and West Michigan Street. The purpose of this committee is to coordinate all air space and subterranean lease requests made to the City.

Based on the information provided, the Special Committee on Air and Subterranean Lease Structures recommended approval of the proposed ordinance.

Very truly yours,
