The Milwaukee Lake Park Lawn Bowling Association (MLPLBA) would like to replace their current cloth awning structure with a permanent awning.

The plan is to remove the current awning infrastructure and construct an entry overhang that is attached to the existing MLPLBA building. Entry overhang would be nearly identical to entry overhangs on the main pavilion at Lake Park Bistro.

Materials would be similar to those used to construct the main pavilion overhang with two exceptions.

- 1) Pillars would be load-bearing fiberglass
- 2) Roofing material would match the existing MLPLBA building materials (asphalt shingles).
