Ref: HAP/3 year statement

To The Honorable  
The Common Council  
City of Milwaukee

Dear Council Members:

In order to be eligible for future grants under the State Department of Transportation Harbor Assistance Program, an annual update of the Port's Harbor Development Three-Year Statement of Intentions is required to be submitted to the State Department of Transportation in April each year.

The State Department of Transportation uses this listing of potential future projects for budgeting purposes. It is neither an application for funding, nor does it represent, in any way, a financial commitment by the City.

The Port's Harbor Development Three-Year Statement of Intentions was approved by the Board of Harbor Commissioners at its meeting on February 8, 2018 and we, therefore, respectfully request that your Honorable Body approve such so that we may transmit it to the State Department of Transportation.

Respectfully submitted,

A handwritten signature in cursive script that reads "Lawrence E. Sullivan".
